DiFiore's

Atlas of Histology with Functional Correlations Victor P. Eroschenko, 2008 diFiore's Atlas of Histology with Functional Correlations Eleventh Edition explains basic histology concepts through full color schematic illustrations. These illustrations are supplemented by more than 450 digitized full color online photomicrographs of histological images. Part One explains tissues and their relationship to their systems. Part Two addresses organs in a similar way. Targeting undergraduate allied health and first and second year medical students, the Eleventh Edition includes new and enhanced images through redrawing and digitization to provide increased detail. This edition also features updated illustrations and information on the functions of cells, tissues, and organs of the body based on advances in research and expert recommendations. The atlas student friendly Functional Correlations sections help students study structure and function together. Students also benefit from a realistic perspective as more than 70 micrographs appear adjacent to color illustrations. A companion Website offers student and instructor versions of diFiore's Interactive Atlas with all of the images from the book. **Veterinary**

Parasitology M. A. Taylor, R. L. Coop, Richard L. Wall, 2015-10-26 The recipient of much praise and acclaim, *Veterinary Parasitology* is widely considered to be the definitive veterinary parasitology reference for practitioners and students alike. This Fourth Edition has been developed and enhanced into a two part reference to reflect recent advances in the field, modern teaching practice, and updated parasite taxonomic classification systems. Part One contains expanded individual parasite descriptions using current taxonomic status within three new chapters on Helminthology, Protozoology, and Entomology. Further updated chapters are provided on The laboratory diagnosis of parasitism, Antiparasitics, The epidemiology of parasitic diseases, and Host resistance to parasitic diseases. Host species chapters have been retained and expanded and are found in Part Two of the edition. **KEY FEATURES** Tailored for those directly involved in the diagnosis, treatment, and control of parasitic diseases of domestic animals. Compatible with the diversity of current parasitology teaching modules both for teaching parasite systematics and diseases on a host organ basis. Offers the most detailed parasite descriptions available today for teachers, research groups, veterinarians in practice, and in government service, and others involved in aspects of parasitic disease. Thoroughly revised and restructured to reflect the most up to date advancements in the field. *Veterinary Parasitology* Fourth Edition enhances its stellar reputation as the gold standard reference text for the global veterinary profession. **Detailed Diagnoses and Surgical Procedures for Patients Discharged from**
