## Small Ship Big Sea:

Little Ship, Big War Edward P Stafford, 2012-04-15 Manned almost entirely by reservists the USS Abercrombie DE343 and her sister ships did the dirty work of the Pacific War They escorted convoys chased submarines picked up downed pilots and led the landing craft to the invasion beaches yet they received little credit and less glory This book is a stirring tribute to their heroic efforts written by a naval officer who served in the Abercrombie during the war and later became a best selling author First published in 1984 it has long been acclaimed for presenting a view of the navy as the sailors actually saw it the joys and pains the humor and gravity the successes and defeats Ed Stafford provides an authentic day by day account of life on board DE343 from the Battle of Leyte Gulf and picket duty against kamikazes at Okinawa to the signing of the peace treaty in Tokyo Harbor To create an accurate picture he consulted ship logs and after action reports and interviewed members of the crew Although the book focuses on events in a particular warship it tells the story of every small ship and their valiant crews that rose to the challenge and fought with everything they had until the war was won *Little Ship, Big Story* Rodney Pell, 2019-02-05 Emerging like a butterfly from its chrysalis a remarkable little ship the Sheemaun springs from her designer's drawing board to sail through eight decades of history gathering in her wake a unique collection of admirers including former owners former crews and those who served courageously on her during WW2 Their stories are revealed here tales of bravery and daring accounts of bombs mines depth charging and death stories of espionage and smuggling and memorable chronicles of Royal occasions cruising maritime festivals and much else This fascinating deeply engrossing true story takes the reader into the heart and soul of the Sheemaun and of all those who have loved her My Sea Lady Graeme Ogden, 2014-05-01 A remarkable wartime memoir unusually personal and frank chronicling the bleak and arduous journeys onboard an anti submarine trawler in the Arctic ocean during World War II Graeme Ogden's memoir is the story of HMS Lady Madeleine an ocean going trawler converted to an anti submarine role as part of the convoys to supply the Soviet Union as it faced the savage onslaught of the German army This was a voyage fraught with storms icebergs and sub zero temperatures in peacetime alone but now the convoys faced worse the fearsome gauntlet of German aircraft submarines and surface raiders strung out along the coast of Norway waiting to meet them Ogden commanded the vessel in question keeping diaries of his harrowing experiences of those years which also cover his time on the equally perilous Atlantic convoys These accounts were rediscovered and published as a memoir in the 1960s illustrated with exquisite line drawings by Richard Elsdon who also sailed on these voyages This is a very different kind of war memoir vivid and bittersweet in which the human elements take centerstage against the backdrop of great events *Small Boats and Big Seas* Ralph Stephenson, 1978 **The Path of the Wealth God** Guo Xiaochang, If there is any immortal in our cultural tradition who has been sincerely loved by the masses from ancient times to the present it must be the God of Wealth Therefore the top ranking auspicious saying during the Spring Festival is definitely May you be prosperous The beautiful aspiration for wealth has been written into the genes of

our nation Based on this simple and healthy national sentiment our ancestors actively and optimistically created an immortal in charge of wealth the God of Wealth The God of Wealth governs fortune and presides over wealth and prosperity It is a benevolent god widely worshiped by the people and has always been highly respected and venerated The origin of the God of Wealth is rather complicated and there are various opinions because there is not just one God of Wealth but a group and each one has a different origin Among the numerous Gods of Wealth Fan Li Bi Gan Guan Yu and Zhao Gongming are the most popular and enjoy the most incense offerings Most of the Gods of Wealth worshiped in temples across the country are these four figures so they are the most famous and have the widest influence This book in the form of brief biographies clarifies for readers the life stories of the prototype figures of the Gods of Wealth as well as the origin and development of the God of Wealth culture It interprets the traditional cultural themes that we love to talk about from a historical perspective and guides readers to draw more spiritual sources of auspiciousness optimism and ceaseless struggle from the outstanding traditional culture of our nation
