

**Small talk is a social skill. It is used to make conversation with people you have just met or don't know well. A good way to make small talk is to ask questions.**

Here are three reasons why:

1. People enjoy talking about themselves.
2. It's easier for you. You can listen more than talk.
3. You might learn something new or interesting.

|                                  |   |
|----------------------------------|---|
| What do people talk about?       | Safe topics like the weather, current location, hometown, public transport, languages, hobbies and interests, sports, food and drink, the weekend, travel, music, films, local events, the news, etc. |
| Where do people make small talk? | Anywhere - in an office, a lift, at a bus stop, at an airport, in a cafe, at a party, before a meeting, etc.  |
| Why do people make small talk?   | To be friendly, fill time or get to know someone.   |

## Example small talk questions

### Weather

- Isn't the weather nice today?
- It's a lovely day, isn't it?

### Current location

- Have you been here before?
- What do you think of this place?
