## **Small Group Ministry In The Contemporary Church:**

The Seven Deadly Sins of Small Group Ministry Bill Donahue, Russ Robinson, 2002 A troubleshooting guide for Church leaders Assessment and solution for seven common obstacles to building small groups      **Simple Small Groups** Bill Search, 2008-09-01 Over the past two decades small groups have gone from spontaneous gatherings among friends to a major and elaborate phenomenon in the church Many evangelical churches have some form of small groups ministry in place But there s just one problem says Bill Search what started as a simple get together has become a complicated process especially for small group leaders They are often not sure what is expected of them or what to expect from their groups as a result of their efforts In Simple Small Groups Search lays out the three C s of small groups connecting changing and cultivating This paradigm helps to simplify leading small groups in a way that is helpful rewarding and life changing Unlike many other books geared toward small group leaders Simple Small Groups does not require a church wide adoption of an intricately designed system of assimilation making it useful to any small group leader looking for guidance      **Small Group Ministry in the Contemporary Church** T. Ed Barlow, 1972      *2000 Years of Small Groups* Joel Comiskey, 2015-10-03 This book explores how God has used small groups throughout church history specifically focusing on the early church to the present time God not only established the early church as a house to house movement but he also has used small groups throughout church history This book chronicles the small group or cell movement from Jesus all the way to the modern day cell explosion Themes include Small Groups In Biblical History Small Groups In Early Christian History Small Groups and Monasticism Small Groups During the Pre Reformation Period Luther and Small Groups Martin Bucer and Small Groups The Anabaptist Movement Puritan Conventicles Pietism The Moravians The Methodists Modern House Churches Small Groups in North America The Modern Day Cell Church This book will both critique the strengths and weaknesses of these historical movements and apply principles to today s church You will grow in appreciation and understanding of key small group principles from those pioneers who have paved the way You will also learn to value those movers and shakers who faced far greater odds to implement small groups than the difficulties confronted today Many have struggled with the same things you re wrestling with now And just like they found solutions in the face of persecution and trial God will help you to persevere find solutions and ultimately bear abundant fruit for his kingdom and glory      *The Church and the Crisis of Community* Theresa F. Latini, 2011 Contemporary society is in crisis its structures broken and fragmented and its people overstimulated overstressed and thirsty for true communion with the sacred and with one another Yet although more than eighty five percent of congregations in the United States conduct small group ministry too many of these groups begin with no clear sense of purpose structure or spiritual focus and end by veering away from Christian tradition and unknowingly settling for shallow versions of popular Christianity In *The Church and the Crisis of Community* Theresa Latini lays out both a theoretical groundwork and a practical guideline for successful small group ministry Examining the latest sociological research and the

real life practices of small groups in six congregations she shows how well developed groups those with mission statements leadership training and solid organizational structure can be a truly effective tool in the church's work of transforming broken and shallow forms of community into life giving life sustaining relationships with God and others

**The Complete Guide to Small Group Ministry** Robert L. Hill, 2003

*Building a Life-Changing Small Group Ministry* Bill Donahue, Russ G. Robinson, 2012-04-03

Like nothing else small groups have the power to change lives They are the ideal route to

discipleship a place where the rubber of biblical truth meets the road of human relationships However church leaders often

feel at a loss when it comes to assessing the strengths and weaknesses of group life in a church and they struggle with

understanding and solving the root causes of problems Group Life resources provide in ebook format the practical tools and

training resources needed to develop life changing small group leaders coaches to shepherd group leaders and ultimately a

thriving church wide small group ministry These resources include the updated and revised versions of the best selling

Leading Life Changing Small Groups and Coaching Life Changing Small Group Leaders the new Building a Life Changing

Downloadable web based vision clips and supplemental videos in the DVD help readers explore and discuss topics further

Group Life Resources conveniently integrate with the ReGroup™ curriculum giving trainers the option to use them together

Bill Donahue and Russ Robinson's Building a Life Changing Small Group Ministry presents a broad introduction for pastors

and point leaders to use as they navigate through the process of establishing and developing independent groups or a

church wide ministry of small groups

**The Naked Truth about Small Group Ministry** Randall G.

Neighbour, 2009-06-08 Tired of reading books by pastors of large churches who could put a stick in the mud and it would

grow a fruit bearing tree in a week Exhausted with doing ministry the same way expecting different results Exasperated by

the lack of ownership among the members of your existing groups Then this book is for you Pulling no punches Neighbour

diagnoses the problems surrounding small group and cell group ministry in America today offering practical suggestions that

work

**Small Groups with Purpose** Steve Gladen, 2011-06-01 Over the past fifteen years small groups have become a

vital way to build community in large churches Nowhere has this been more apparent than at Saddleback Church Now Steve

Gladen pastor of small groups at Saddleback shares the secrets of that ministry's incredible success in creating small groups

with purpose This practical book walks church leaders through the questions they need to answer to develop their own

intentional small group strategy Built around the most commonly asked questions Small Groups with Purpose outlines the

step by step process of creating a successful small group ministry Because it is built upon principles and not methods this

plan can be implemented in any size church Each chapter ends with a list of questions for readers to answer to help them

assess their current situation and their desires for the future Personal stories Scripture and examples ground the discussion

and show the system in action Pastors and small group leaders will find this book instrumental in making small groups work in their churches

**Small Group Ministry** Christian Mogler, 2009 Research Paper postgraduate from the year 2009 in the subject Theology Miscellaneous grade B Prairie Bible Institute course Church Planting Development language English abstract Generally speaking the influence of small groups within churches is increasing significantly While some congregations do not see a high value in small groups and are consequently very slow to start and engage in small group ministry others are so convinced of them that they claim that small groups are the pillar of church growth Since there are such a variety of opinions about the usefulness and purpose of small groups one may ask what exactly is a small group What role does it play in the bigger picture of building the church What is the biblical foundation for it Do we need small groups What are the advantages and disadvantages of having a small group Why do people oppose small groups This research paper will on one hand answer these and other questions and on the other hand demonstrate how small groups are an importance place for ministry community and discipleship

Community That Is Christian Julie A. Gorman, 2002-06-01 Over the past thirty years there has been a boom in small groups both in society at large and within the church From Bible studies to MOPS to Alcoholics Anonymous it is estimated that four out of ten Americans belong to a small group that meets regularly for the care and support of its members But are these groups creating true biblical community or do they settle for self focus and personal gain Julie Gorman has studied small groups for decades and presents her analysis insights and suggestions in Community That Is Christian an essential resource for building community in church based small groups This comprehensive book serves both as a text for those who equip leaders or lead small groups and as an interactive manual for small group members helping them transform their relationships into Christ centered community The book begins with biblical support for coming together contrasting it with our often individualistic mind set that undermines community Gorman then sets forth the goals of community and describes the process of transformation She draws from extensive research to address the why and the how of small group ministry giving special attention to gender and cultural distinctions Community That Is Christian provides readers with charts discussion questions and inventories to further help them establish community within their small groups

Planning Small Groups with Purpose Steve Gladen, 2018-07-03 Small groups are a great way to promote the spiritual formation of church attendees But leading them well can be hard work especially if you don't have a plan This practical resource helps pastors and small group point people develop and implement a 12 to 18 month strategic plan for their ministries in order to keep it healthy and growing Developed at Saddleback Church this completely customizable plan works for any church size and any denomination Readers answer 22 questions that help them understand their vision the purpose of their ministry and how to connect members grow numerically and spiritually measure progress develop leaders create opportunities to serve and much more By the time they're done readers will have developed their own personalized planner for the next year to 18 months so that they can feel prepared confident and purposeful about their small group
