Smell That Got Away:

Tell Me a Story Dante Fabiello, 2010-04 Once upon a time there was a little girl called Alexandra who asked her daddy Daddy please tell me a stooweeee Well this is my story on how I created thousands of children stories These stories come from a world where animals of all kinds all talk and learn like children about life Around the age of three my daughter got tired of me reading little kiddy stories and asked me Daddy please tell me a stooweeee So every night I would make up a new short story One day when she was 7 years old I decided to tape these stories so she could hear them over and over Well that went on for 7 more years with over 110 hours and over 3 000 stories There are so many stories that I will have to write many more volumes So here we are the first book is published and now kids all over the world can enjoy them as my daughter did for many years The time you spend with your child is most rewarding Never get tired of loving kissing and hugging them no matter how old they get Please view the book website by Clicking here Please view sample stories from the book by Clicking here

Legislative Council, 1883 *Partners* Richard McStay, 2021-03-10 John Buchanan believed Partners were mere mindless drones grown for the rich and used to take away jobs from humans He like most believed they had no soul and were and mere appliances like a car or toaster Filling out a job application without its instructions would change his mind about Partners and take his life into a direction he hadn't imagined *The Night Flower* Sarah Stovell, 2013-08-15 Two girls are brought together under the worst of circumstances a prison ship taking them from London to parts beyond the sea Miriam is a Romany girl drawn from freedom in the hills of the North West to the city to eke a living playing her tin whistle in a place where her people are despised When her mother dies from cholera the gypsy disease she's caught breaking and entering and sentenced to transportation Rose has been brought up to expect more but when her husband dies and her father is sent down for illegal slave trading she's separated from her children and forced to take a governess's job When she's caught stealing the judge shows no mercy Surviving just an appalling voyage the two arrive just after Christmas into the blinding sun of the strange new island Van Diemen's Land Here they are sent to work in a nursery where women of ill repute give birth before being sent for correction The nursery is run by a corrupt debauched Reverend and his idealistic son who soon takes a fancy to Miriam But Rose her best friend and close confidant watches jealously and makes plans to reverse their fortunes The Night Flower takes the reader on a thrilling Dickensian adventure through the dark side of our penal history to a Tasmanian frontier town where anything could happen and morality is made by monsters
