Jayton's Book of Poetry John Farrell, 2013-07-31 The purpose behind the writing of this book is twofold one is to show that even though some may not believe that there's a God that personally I do And I also believe that everything that presently exists on the earth and above the earth was created by Him Second it is my hope that this inspirational book along with its secular content would be a means of enlightening the minds of those who truly need hope in their life It will also endeavour to show that apart from God we as human beings are helpless to save ourselves spiritually Our only hope then is in the Son of God who gave his life so that all of us can live Hence I thank Him for the inspiration that he has given me to compile these poems THANK YOU God And thanks also to those friends and family alike whose interest I have gained throughout the years My prayer is that all who read it's pages may find hope and comfort in their life GOD BLESS
