there were no safe or rear areas Nobody had the luxury of relaxing feeling safe GIs were rotated in and out of country on an individual basis When our tour was over we were put on an airplane and hours later we were back in the land of the BIG PX with little or no decompression time The logistics of removal of the dead was so efficient there was almost never a chance to say goodbye to pay respects to process the loss Perhaps the two most unique elements of the conflict were the fact that we never lost a battle but lost the war and the surreal intrusion of live war coverage every night into the television sets of America This latter fact gave birth to pressures on MACV to invent such news bits as body count hooches burned acres of defoliation and gallons of Agent Orange Throughout this circus the American fighting man distinguished himself as a warrior as a patriot and as resilient in the face of a determined and skilled enemy Once back in the USA there was trauma and vitriol experienced by many at airports and street demonstrations Agent Orange and PTSD have combined to result in more Vietnam vets dying by suicide than died during the conflict The nation s homeless population is even today comprised approximately 20 percent Nam vets The healing began with the Vietnam Memorial the Wall and has picked up some momentum with the Honor Flight Program Half a century later we ve made a start to the healing <https://www.myvietnamjourney.com> **Inland Printer, American Lithographer** ,1893 **The Gentleman's Magazine** ,1878
