## **Telling Stories Taking Risks:**

**Taking Risks** Julie Shayne, 2014-06-16 *Taking Risks* offers a creative interdisciplinary approach to narrating the stories of activist scholarship by women. The essays are based on the textual analysis of interviews, oral histories, ethnography, video, storytelling, and theater. The contributors come from many disciplinary backgrounds including theater history, literature, sociology, feminist studies, and cultural studies. The topics range from the underground library movement in Cuba, femicide in Ju rez, community radio in Venezuela, video archives in Colombia, exiled feminists in Canada, memory activism in Argentina, sex worker activists in Brazil, rural feminists in Nicaragua, to domestic violence organizations for Latina immigrants in Texas. Each essay addresses two themes: telling stories and taking risks. The authors understand women activists across the Americas as storytellers who, along with the authors themselves, work to fill the Latin American and Caribbean studies archives with histories of resistance. In addition to sharing the activists' stories, the contributors weave in discussions of scholarly risk-taking to speak to the challenges and importance of elevating the storytellers and their histories.

**Transformational Preaching** David M. Brown, 2003-02 *Transformational Preaching* Theory and practice is a comprehensive textbook for the beginning student of preaching, the graduate student in pulpit discourse, or the seasoned preacher. Seeking to reclaim the pulpit for biblical preaching, the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative; that the preacher is central to the act of preaching; and that through the preaching event, both preacher and listener together fashion the message and its meaning. Both theoretical and highly practical, the book offers a challenging look at all aspects of the preaching ministry. It contextualizes preaching in pastoral ministry and congregational worship but most significantly argues that the practice of preaching must be informed and driven by theory. As such, the book draws from a wide perspective of disciplines including biblical theology, classical rhetoric, contemporary human communication, public discourse, persuasion, linguistics, performance, and orality. The book's wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry.

*Taking Narrative Risk* Lori L. Montalbano-Phelps, 2004 This powerful book recounts the process of a study that examines personal narratives of abuse survivors by assessing the relationship between narration and teller empowerment.

*Explaining Traditions* Simon J. Bronner, 2011-08-26 Why do humans hold onto traditions? Many pundits predicted that modernization and the rise of a mass culture would displace traditions, especially in America, but cultural practices still bear out the importance of rituals and customs in the development of identity, heritage, and community. In *Explaining Traditions: Folk Behavior in Modern Culture*, Simon J. Bronner discusses the underlying reasons for the continuing significance of traditions, delving into their social and psychological roles in everyday life, from old-time crafts to folk creativity on the Internet. Challenging prevailing notions of tradition as a relic of the past, *Explaining Traditions* provides deep insight into the nuances and purposes of living traditions in relation to modernity. Bronner's work forces readers to examine their own

traditions and imparts a better understanding of raging controversies over the sustainability of traditions in the modern world

**Badvertising** Jim Morris, 2021-05-01 Jim Morris has been responsible for some of the most memorable ad campaigns in history He knows best that bad ads don't just create themselves Part indictment on the advertising industry part cautionary tale on what not to do with your ads Jim pulls no punches to better ad people everywhere How many ads have you seen that made you question the intelligence of whomever designed it Probably too many If every ad person read Badvertising the world would be a more intelligent and prosperous place Jonah Berger New York Times bestselling author of Contagious and The Catalyst Incisive and daring Badvertising is the only book you need to truly understand both the inner workings of America's ad agencies and the minds of those who never cease to astound us with both their creative genius and profound stupidity After just one reading you'll never see advertising the same way again Drew Eric Whitman bestselling author of Cashvertising How can the ad industry even exist when almost all of the products that it produces fall on a continuum from flawed to failed What is it about this industry and the process of creating selling and producing ads that causes so much advertising to be so bad These are the questions answered in Badvertising A provocative truth to power exposé of ad agencies' flaws, foibles and failings and why they matter to the consumer and to those in the business Morris an advertising legend known as Tagline Jim surveys myriad advertising agents of stupidity Hilarious, horrifying and insightful each chapter is a grenade lobbed into America's ad bunkers Badvertising is a candid never seen before accumulation of real world don'ts and more don'ts providing valuable cautionary tales of advertising's stupid side

**Unsettling Empathy** Björn Krondorfer, 2020-08-11 This book is an in-depth reflection and analysis on why and how unsettling empathy is a crucial component in reconciliatory processes Located at the intersection of memory studies, reconciliation studies and trauma studies the book is at its core transdisciplinary presenting a fresh perspective on how to conceive of concepts and practices when working with groups in conflict The book Unsettling Empathy has come into being during a period of increasing cultural pessimism where we witness the spread of populism and the rise of illiberal democracies that hark back to nationalist and ethnocentric narratives of the past Because of this changed landscape this book makes an important contribution to seeking fresh pathways toward an ethical practice of living together in light of past agonies and current conflicts Within the specific context of working with groups in conflict this book urges for an ethical posture of unsettling empathy Empathy which plays a vital role in these processes is a complex and complicated phenomenon that is not without

its critics who occasionally alert us to its dark side The term empathy needs a qualifier to distinguish it from related phenomena such as pity compassion sympathy benign paternalism idealized identification or voyeuristic appropriation The word unsettling is just this crucial ingredient without which I would hesitate to bring empathy into our conversation

**Trauma and Coping Mechanisms among Assemblies of God World Missionaries** Valerie A. Rance, 2021-12-21 Trauma from the fall of Adam and Eve forward impacts human lives in overpowering ways A review of the lives of biblical personalities and missionaries reveals shared traumatic experiences In addition to the stress of cultural adjustment missionaries often live in contexts of violence political unrest economic instability natural disasters and relational conflict The examined biblical personalities faced similar issues yet a majority coped with trauma in ways that led to well being The proposed biblical theory of well being assists

missionaries to move deeper in their trust of God by utilizing the coping skills of the biblical personalities including asking God for help lifting up their praise and worship to God standing on a sense of call working with God lamenting venting to God in healthy ways embracing a theology of suffering and accepting assistance from friends and family The adherence to the constructs of this theory protects missionaries from the ravages of psychological trauma by avoiding negative coping and developing positive coping skills that lead to trusting in the only One who gives hope in seemingly hopeless situations

**Experiments in Love** Emily Ralph Servant, 2021-03-12 Could it be that the stories we tell in our churches weaken our efforts to be congregations who take risks in mission for the sake of love In this thought provoking book Emily Ralph Servant suggests that the work of today's leaders is to explore new stories listen to new voices and open ourselves up to the Spirit's work of transformation Experiments in Love engages in a three way dialogue with feminist and liberation theologians the social and behavioral sciences and the Anabaptist tradition Out of this vibrant conversation emerges the story of a God who takes the risk of being radically present to a vulnerable world Because of God's courageous presence with us we can also take the risk of being vulnerably present to others as God invites us all to participate in God's community of life love and flourishing
