Nelson,2024-12-17

How sociologists can approach memoir in their writing research and in the classroom Memoirs attract millions of readers with their compelling life stories vivid details and often startling revelations Beyond entertainment value however Margaret K Nelson argues that memoirs hold potential as powerful resources for sociologists to engage with analyze and teach Sociology Meets Memoir is a short and accessible guide to the significance of memoirs for the field of sociology from their many possible uses to the numerous challenges they pose This guide enables sociologists to learn about the different ways memoirs have been used as a medium through which to exercise and encourage the sociological imagination Nelson offers clear definitions of the various and nuanced terms associated with memoir and examples of how different types of stories have been effectively integrated into scholarly research Readers will gain an understanding of the immense power of memoirs as sociological resources offering unique access to voices from the past as well as voices from the present which are traditionally marginalized Nelson also focuses on the genre s limitations and the difficult methodological questions that accompany their use in scholarly endeavors Sociology Meets Memoir is a vital tool for all sociologists interested in this growing genre By reading this guide students and

teachers alike will gain an understanding of how they might approach the current outpouring of memoirs and incorporate them into their teaching learning writing and research Chicana/Latina Testimonios as Pedagogical, Methodological, and Activist Approaches to Social Justice Dolores Delgado Bernal,Rebeca Burciaga,Judith Flores Carmona,2017-10-02 While the genre of testimonio has deep roots in oral cultures and in Latin American human rights struggles the publication and subsequent adoption of *This Bridge Called My Back* Moraga Anzald a 1983 and more recently *Telling to Live* Latina Feminist Testimonios Latina Feminist Group 2001 have demonstrated the power of testimonio as a genre that exposes brutality disrupts silencing and builds solidarity among women of colour Within the field of education scholars are increasingly taking up testimonio as a pedagogical methodological and activist approach to social justice which transgresses traditional paradigms in academia Unlike the more usual approach of researchers producing unbiased knowledge the testimonio challenges objectivity by situating the individual in communion with a collective experience marked by marginalization oppression or resistance This approach has resulted in new understandings about how marginalized communities build solidarity and respond to and resist dominant culture laws and policies that perpetuate inequity This book contributes to our understanding of testimonio as it relates to methodology pedagogy research and reflection in pursuit of social justice A common thread among the chapters is a sense of political urgency to address inequities within Chicana o and Latina o communities This book was originally published as a special issue of *Equity Excellence in Education* Latin American Research Review ,2002 An interdisciplinary journal that publishes original research and surveys of current research on Latin America and the Caribbean *Chicana/Latina Studies* ,2009 Vulnerable Witness ,2019-07-02 Scholars and practitioners who witness violence and loss in human animal and ecological contexts are expected to have no emotional connection to the subjects they study Yet is this possible Following feminist traditions *Vulnerable Witness* centers the researcher and challenges readers to reflect on how grieving is part of the research process and by extension is a political act Through thirteen reflective essays the book theorizes the role of grief in the doing of research from methodological choices fieldwork and analysis engagement with individuals and places of study to the manner in which scholars write and talk about their subjects Combining personal stories from early career scholars advocates and senior faculty the book shares a breadth of emotional engagement at various career stages and explores the transformative possibilities that emerge from being enmeshed with one s own research *Learning to Lead* Jennifer R. Nájera,2024-09-06 In *Learning to Lead* Jennifer R N jera explores the intersections of education and activism among undocumented students at the University of California Riverside Taking an expansive view of education N jera shows how students experiences in college both in and out of the classroom can affect their activism and advocacy work Students learn from their families communities peers and student and political organizations In these different spaces they learn how to navigate community and college life as undocumented people Students are able to engage campus organizations where they can cultivate their leadership skills and importantly learn that

they are not alone These students embody and mobilize their education through both large and small political actions such as protests workshops for financial aid applications and Know Your Rights events As students create community with each other they come to understand that their individual experiences of illegality are part of a larger structure of legal violence This type of education empowers students to make their way to and through college change their communities and ultimately assert their humanity

Latino/a Thought Francisco H. Vázquez, 2009-01-16 Latino a Thought brings together the most important writings that shape Latino consciousness culture and activism today This historical anthology is unique in its presentation of cross cultural writings especially from Mexican Puerto Rican and Cuban writers and political documents that shape the ideology and experience of U S Latinos Students can read first hand the works of authors who most shaped their cultural heritage They are guided by vivid introductions that set each article or document in its historical context and describe its relevance today The writings touch on many themes but are guided by this book's concern for a quest for public citizenship among all Latino populations and a better understanding of racialized populations in the U S today The Hispanic American Historical Review James Alexander Robertson, 2001 Includes Bibliographical section
