The Witches' Runes Dana Corby, 2018-10-25 Learn how to make and use The Witches Runes and hold the unseen in the palm of your hand. This beautiful little book was privately distributed for 25 years and is available to the public for the first time. A traditional divination system that uses symbols from a number of folk and alchemical traditions and has been in use in the U.S. for over half a century. Simple, profound, powerful and intimate. Ever since I read your article about this system in the Crystal Well back in about 1975, I have made and been using your Runestones and I have great success with them. I have taught classes in the making and reading of the Runestones according to your method. Don Wildgrube, Church of All Worlds.

The Book of Runes Francis Melville, 2016-09-29 Both an alphabet and tools of divination and magic. Norse runes are beautiful and iconic. Learn their meanings and how to use their magic. [Runes in Ten Minutes](#) Richard T. Kaser, 2010-10-12 Runic divination is a method that is more than 2,000 years old, yet rune stone sets are available today in New Age stores. For readers who do not have their own rune stones, Kaser shows how to create your own as well as how to substitute Scrabble tiles for traditional runes. From the successful author of *Tarot in Ten Minutes* *Yom Kippur as Manifest in an Approaching Dorsal Fin* Adam Byrn Tritt, 2013-09 Whatever the Jewish experience might mean to the modern reader, Adam Byrn Tritt's approach is uniquely his own. He is observant in the sense that he carefully observes as you would expect of a man who is at essence a poet. As a self-described Jewitarian Buddhiversalist, he is aware that each tradition illuminates the other. This collection of essays and poems provides us with good talk. Conversation is the highest artform, and Mr. Tritt invites us in most kindly with insight, erudition, humor, and compassion. Wayne McNeill, author of *Songbook for Haunted Boys and Girls*. *Yom Kippur as Manifest in an Approaching Dorsal Fin* explores in essays, poems, and creative nonfiction the tension between cultural heritage and contemporary society, between religion and spirituality, between the family you inherit and the family you create. From early morning wrestlings with God to portraits of three remarkably different family funerals, from Kabbalist chants at a pagan bookstore to the humorous *What Do Jews Do on Christmas*, Tritt's writing taps into themes nearly universal in today's world in ways that will resonate with readers of all backgrounds and faiths, or no faith at all. **Runes for Beginners** Melissa Gomes, 2021-12-15 Everything You Need to Know to Interpret, Read, and Cast Rune Stones.
