## Temple Of Love:

*The Temple of Love* Barbara Cartland, 2019-02-14 Desperate to avoid being trapped into marriage by the lovely but scheming Lady Charlotte Denington the handsome young Duke of Ingleby is relieved to be sent on a special secret mission for the Viceroy of India Lord Curzon He is to find and if he is in time to save an ancient Buddhist Temple on the island of Java from desecration and looting by the Dutch who are the Rulers of the country at the time Travelling incognito and posing as an English tourist keen to photograph the delightful scenery of Java the Duke unexpectedly meets a beautiful and ethereal young woman called Sarida at the Temple's portal Although clearly English Sarida bears this Javanese name and is attuned to Javanese culture Indeed she believes fervently in the Buddha The Duke is entranced and then enthralled when he discovers that he and she bear an uncanny resemblance to the sculpted portrayals of a Javanese King and Princess in the depths of the Temple It is as if they have been together and loved each other in another life Even without speaking they both understand that this is what the Buddhists have always called The Wheel of Rebirth And as together they face terrible danger it is immediately obvious that the attraction between them is too powerful to resist It is all an essential part of the Divine power of the Temple of Love

**The Book of Love** Paolo Mantegazza, 2024-01-11 *The Allegory of Love in the Early Renaissance* James Calum O'Neill, 2023-07-31 Described as the most beautiful book ever printed, previous research has focused on the printing history of the *Hypnerotomachia* and its copious literary sources. This monograph critically engages with the narrative of the *Hypnerotomachia* and with Poliphilo as a character within this narrative, placing it within its European literary context. Using narratological analysis, it examines the journey of Poliphilo and the series of symbolic allegorical and metaphorical experiences narrated by him that are indicative of his metamorphosing interiority. It analyses the relationship between Poliphilo and his external surroundings in sequences of the narrative pertaining to thresholds, the symbolic architectural, topographical, and garden forms and spaces, and Poliphilo's transforming interior passions, including his love of antiquarianism, language, and Polia, the latter of which leads to his elegiac description of lovesickness. Besides examinations of numerosophical symbolism in number form and proportion of the architectural descriptions and how they relate to the narrative

**The Empire of Love** Yum Razams, 2002-01-23 In a simple and compelling writing, the author recreates life in Ancient Egypt when the empire was at its peak. The plot interweaves the Temple's way of life with betrayals, power struggles, true love, good humor, and the wisdom of the Masters. Over the centuries, humanity has missed the true spirit of the Egyptian auto-deism concepts until the present time when our perception has grown to a new level of understanding. Now, in a fantastic journey, the author offers a view of Ancient Egypt, a melange of traditions overlaid with legend, folklore, religious ceremony, and natural beauty to meet the emerging need of the present Age of Aquarius. Through the pages of *The Empire of Love*, the reader will be confronted with different levels of being and parallel realities, experiencing a new dimension foreign to time and space. The plot takes place during the social revolution of the 60s when Karl, the main character, feels outcast among his own society and searching for an answer to his growing longing, he leaves New York City in search of that truth.

that he knew was out there After long hours of a lonely driving through the inter state highways he reaches Arizona and overcome by exhaustion he decides to stop and rest for a while Sitting on a high cliff close to the road Karl falls asleep and without any warning he awakes on the high summit of the Amenti in ancient Egypt 3 000 years back in time Karl meets several characters that help to create a gradual awakening that adds more confusion to his perception of reality A dual feeling of happiness and fear takes place with each incident that evokes subconscious memories that he could not identify Everything becomes familiar and foreign at the same time The dialogues in the first part of the novel are filled with intense emotion and the teachings of the temple Karl begins to forget the nostalgic feelings for his American way of life his beloved XX century fades in his memory and he becomes immersed in the new experience imposed on him by destiny With the help of the temple s masters Karl is induced into a deep hypnotic trance and he relives a previous incarnation in ancient Egypt as Aum a young temple initiate During this incarnation Aum Karl becomes a master at the temple of Heliopolis The successive events will bring Karl to a full awakening when different aspects of the Egyptian philosophy are incorporated into the drama to conclude with the self awareness and realization of his mission among men
