Temple of Death

by David Cook

Sent on a desperate mission into an unknown land, you must seek out one called "the Master" and his Temple of Death. There is little time to waste, as you must act before the Master's armies destroy your homelands. But to complete your task, you must battle fearsome guardians, travel through a hostile kingdom, and discover the secret of the Master. Can you survive his defenses and win?

This module contains referee's notes, background, maps and detailed keys. It is the second adventure in the two-part Desert Nomads series begun in **X4, Master of the Desert Nomads**, but it can stand on its own as a separate adventure. Whether you play **Temple of Death** by itself or as part of a series, the adventure will offer you hours of excitement and fun!
