**Heather L. Bailey**

## Temporal Power:

*The Power of the Pope During the Middle Ages* Jean Edme Auguste Gosselin, 1853      *The Papacy and the Civil Power* Richard Wigginton Thompson, 1876      **Main Currents in Sociological Thought: Volume One** Raymond Aron, 2025-05-06

The first volume of the landmark study tracing the emergence and formation of sociological thought from the French liberal school to the Marxists *Main Currents in Sociological Thought* remains a foundational synthesis in the field In this first part of his magisterial two volume survey Raymond Aron embraces an expansive definition of sociology that merges empirical inquiry with historical and social analysis At its core Aron's work is an engagement with the very question of modernity How did the intellectual currents that emerged in the eighteenth century shape the modern political and philosophical order With scrupulous fairness Aron examines the thoughts and arguments of the discipline's major social thinkers to discern how they answered this question Volume 1 explores three traditions the French liberal school of political sociology represented by Montesquieu and Tocqueville the Comtean tradition anticipating Durkheim in its elevation of social unity and consensus and the Marxists who posited the struggle between classes and placed their faith in historical necessity Written with his customary lucid elegance of thought and style Aron's work is essential reading for students across the social sciences      **A Treatise on Justification, or the Disputatio de justitia habituali et actuali ... published first in the year 1631, and now translated from the original Latin, together with translations of the "Determinaciones" ... by the Rev. Josiah Allport. [With a portrait.]** John Davenant, 1846      *Library of Congress Subject Headings* Library of Congress, Library of Congress. Office for Subject Cataloging Policy, 2012      **Library of Congress Subject Headings** Library of Congress. Office for Subject Cataloging Policy, 1990      *The Idea of International Society* Ursula Vollerthun, James L. Richardson, 2017-08-31

This book offers the first comprehensive account and re appraisal of the formative phase of what is often termed the Grotian tradition in international relations theory the view that sovereign states are not free to act at will but are akin to members of a society bound by its norms It examines the period from the later fifteenth to the mid seventeenth centuries focusing on four thinkers Erasmus Vitoria Gentili and Grotius himself and is structured by the author's concept of international society Erasmus views on international relations have been entirely neglected but underlying his work is a consistent image of international society The theologian Francisco de Vitoria concerns himself with its normative principles the lawyer Alberico Gentili unexpectedly the central figure in the narrative with its extensive practical applications Grotius however does not reaffirm the concept but wavers at crucial points This book suggests that the Grotian tradition is a misnomer      **The Civil Law in Its Natural Order** Jean Domat, 1722 With additional remarks on some material differences between the civil law and the law of England T p      *The Protestant Magazine* , 1915      **The Public Image of Eastern Orthodoxy** Heather L. Bailey, 2020-06-15 Focusing on the period between the revolutions of 1848 1849 and the First Vatican Council 1869 1870 *The Public Image of Eastern Orthodoxy* explores the circumstances under which westerners concerned about the fate of the

papacy the Ottoman Empire Poland and Russian imperial power began to conflate the Russian Orthodox Church with the state and to portray the Church as the political tool of despotic tsars As Heather L Bailey demonstrates in response to this reductionist view Russian Orthodox publicists launched a public relations campaign in the West especially in France in the 1850s and 1860s The linchpin of their campaign was the building of the impressive Saint Alexander Nevsky Church in Paris consecrated in 1861 Bailey posits that as the embodiment of the belief that Russia had a great historical purpose inextricably tied to Orthodoxy the Paris church both reflected and contributed to the rise of religious nationalism in Russia that followed the Crimean War At the same time the confrontation with westerners negative ideas about the Eastern Church fueled a reformist spirit in Russia while contributing to a better understanding of Eastern Orthodoxy in the West

**Exodus from Rome Volume 1** Dr. Todd D. Baker, 2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year

**The Anthem Companion to Auguste Comte** Andrew Wernick, 2017-05-15 For most of the twentieth century Auguste Comte a controversial but highly influential nineteenth century figure and his vast treatises on positive philosophy politics and religion were disregarded and largely ignored More recently however Comte s life and writings have been reexamined together with the project of social reform to which his intellectual labors were devoted producing a much more complicated picture of his thought and its significance The Anthem Companion to Auguste Comte with ten new critical essays by leading Comte scholars sociologists intellectual historians social theorists and

philosophers aims to further this reexamination while also providing a multifaceted introduction to Comte's thought and to current discussion about him. The essays also examine Comte's relation to a multiplicity of other thinkers and his place more generally in the formation and legacy of modern Western thought. **James of Viterbo** James (of Viterbo, Archbishop of Naples), 2009. De regimine Christiano produced at the height of the great conflict of 1296-1303 between Pope Boniface VIII and Philip the Fair of France is a detailed and rigorous defence of the papacy's claim to supremacy even in temporal matters.

**The Matter of Empire** Orlando Bentancor, 2017-07-04. The Matter of Empire examines the philosophical principles invoked by apologists of the Spanish empire that laid the foundations for the material exploitation of the Andean region between 1520 and 1640. Centered on Potosi, Bolivia, Orlando Bentancor's original study ties the colonizers' attempts to justify the abuses wrought upon the environment and the indigenous population to their larger ideology concerning mining, science, and the empire's rightful place in the global sphere. Bentancor points to the underlying principles of Scholasticism, particularly in the work of Thomas Aquinas, as the basis of the instrumentalist conception of matter and enslavement despite the inherent contradictions to moral principles. Bentancor grounds this metaphysical framework in a close reading of sixteenth-century debates on Spanish sovereignty in the Americas and treatises on natural history and mining by theologians, humanists, missionaries, mine owners, jurists, and colonial officials. To Bentancor, their presuppositions were a major turning point for colonial expansion and paved the way to global mercantilism. Ultramontaniam versus civil and religious liberty, a loyal answer to Mr. Gladstone's 'Expostulation' Robert O'Keeffe, 1875. **Royalists and Patriots** J.P.

Sommerville, 2014-06-17. This well-known book reasserts the central importance of political and religious ideology in the origins of the English Civil War. Recent historiography has concentrated on its social and economic causes. Sommerville reminds us what the people of the time thought they were fighting about. Examining the main political theories in c. 17th England: the Divine Right of Kings, government by consent, and the ancient constitution, he considers their impact on actual events. He draws on major political thinkers like Hobbes and Locke but also on lesser but more representative figures to explore what was new in these ideas and what was merely the common currency of the age. This major new edition incorporates all the latest thinking on the subject. *Westminster and Foreign Quarterly Review*, 1867. *Collected Reprints*, 1976. The Westminster Review, 1868. **The Nullity of the Government of Queen Victoria in Ireland, or the Pope the Virtual Ruler of the Land** Robert James McGhee, 2024-09-10. Reprint of the original first published in 1839.
