application form detailed and thorough But she d apparently passed whatever investigative process they required and been accepted as a guest to the ball Unable to resist Wynne crossed to the scarred dining table at the far end of the room and stared down at the thick gold embossed envelope she d placed on her best remaining china plate It had arrived earlier that day hand delivered by a liveried messenger along with a card that read The Montagues wish you joy and success as you embark on your search for matrimonial happiness Taking a deep breath she opened the envelope again removing the white velvet pouch inside Reverently she ran a callused fingertip over the pouch then slid the surprisingly heavy gilt ticket from its nest The metallic wafer caught the light from the overhead bulb and shimmered as though alive flooding the drab room with a brilliant golden promise She d done the right thing she assured herself made the only possible decision Just holding the engraved ticket filled her with that certainty
