they have been unexpected While there has been substantial coverage of the internal consequences of Zimbabwe s crises less attention has been paid to its regional and cross border consequences In explaining the ongoing processes stemming from the crises this book looks at three neighboring countries Mozambique South Africa and Zambia to depict how over time they have experienced and interpreted events in Zimbabwe how they have dealt with Zimbabweans entering their territories and how they have or have not formulated policies and developed practices to cope with the arrival of new and mainly undocumented Zimbabwean immigrants     **Discourse** ,1987     **The Encyclopaedia Britannica: Shu to Tom** ,1911
