    *Poetry of the Anti-Jacobin* Leonard Rice-Oxley,1924      *The Works of the Right Honourable John Hookham Frere W.* Frere,2023-10-17 Reprint of the original first published in 1874      **John Hookham Frere's national poems, ed. by R.H. Shepherd** John Hookham Frere,1867      *Five Years Living in Elahiyeh, Fereshteh Street* Dr Dariush Pourkian,2024-03-01 One day amidst my growing complaints to my mother about my father s lifestyle he found it necessary to have a heart to heart with me While planting a tree in our garden he shared a profound insight In society there are only two kinds of people lambs and wolves Lambs are perpetually preyed upon and killed whereas wolves hunt and advance He then posed a stark question Do you wish to be a lamb or a wolf Initially bewildered by his abrupt query I pondered before responding Perhaps something in between His reply was swift and certain There is no middle ground only these two Show mercy and you ll be devoured in this world This conversation was a turning point in understanding my father s complex character his occasional

harshness and rudeness juxtaposed with moments of thoughtfulness He maintained his gentle treatment of others revealing a nuanced perspective of the constant struggle and conflict in human interactions This book is my endeavour to document the events and experiences I have personally witnessed It serves as a tapestry of social history reflecting the intricate dance between the lambs and wolves of our society My purpose in writing this book is only to record the events and things that I ve witnessed with my own eyes     The works of John Hookham Frere, collected with a mem. by W.E. and sir B.
