Hasidic sayings, collected and edited by Martin Buber. (Translated by Olga Marx.). , 1947 Martin Buber's Ten Rungs Martin Buber, 1995 Fanciful and sober by turn these Hasidic sayings don't swerve from their basic purpose to arouse in man an awareness of his condition and to show him the way to the righteous life *Ten Rungs ; Hasidic Sayings, Collected and Edited by Martin Buber* Martin Buber, 1962 *Ten Rungs* Martin Buber, 2020-04-21 The sacred tales and aphorisms collected here by Martin Buber have their origins in the traditional Hasidic metaphor of life as a ladder reaching towards the divine by ascending rungs of perfection Through Biblical riddles and interpretations Jewish proverbs and spiritual meditations they seek to awaken in the reader a full awareness of the urgency of the human condition and of the great need for self recognition and spiritual renewal

Spiritual Growth Paul Steinberg, 2018-09-30 This book began with Paul Steinberg's realization that although religions are struggling to meet the needs and trends of our modern age spirituality is not Its contemporary manifestations continue to thrive and Jews can be found throughout all varieties of spiritual leadership in America Facing the fact that for whatever reason Jewish leaders simply have not done a good job of translating the ancient spiritual wisdom of their beliefs into contemporary language and images that resonate with mass appeal Rabbi Steinberg knew that the faith of his fathers was ready for a new spiritual message And so he has written it a message that is both particular to Judaism and uses Jewish language and text as starting points for a view that is universal enough to include spiritual concepts terms and expressions from many other spiritual traditions *Spiritual Growth A Contemporary Jewish Approach* provides both a language and a set of Jewish spiritual principles that are accessible and integrated with contemporary life as well as being deep and authentically real i e not dumbed down for anyone It is a work that emerged out of Rabbi Steinberg's own personal experiences pains and spiritual journey the trials and growth documented in his highly successful book *Recovery the 12 Steps and Jewish Spirituality* There are not a lot of works like this There are books on Jewish scholarship history and theology But books on Jewish spirituality tend usually to focus on a particular motif such as the feminine grief aging or Kabbalistic biblical interpretations *Spiritual Growth A Contemporary Jewish Approach* presents its message through the psycho spiritual world view of 2018 but without the language and narrative of a therapist It is an important contribution to the spiritual seeking community at large to Jews who have become alienated from their faith and to anyone interested in learning more about what a historically vibrant spirituality can bring to today's troubled world **Reading Jewish Religious Texts** Eliezer

Segal,2012-02-07 Reading Jewish Religious Texts introduces students to a range of significant post biblical Jewish writing It covers diverse genres such as prayer and liturgical poetry biblical interpretation religious law philosophy mysticism and works of ethical instruction Each text is newly translated into English and accompanied by a detailed explanation to help clarify the concepts and arguments The commentary also situates the work within its broader historical and ideological context giving readers an enhanced appreciation of its place in the Jewish religious experience This volume includes a comprehensive timeline glossary and bibliography
