

Alasdair Gray

Ten Tales True And Tall

Alasdair Gray

Ten Tales True And Tall:

Ten Tales Tall and True Alasdair Gray,1995 With this extraordinary collection Gray carries on the tradition of his oddly delightful *Poor Things* from the alarming tale of the train of the future and the child who has not yet made up its mind whether to be male or female to the poignancy of *Time Travelling* a memorable picture of old age

The A to Z of Postmodernist Literature and Theater Fran Mason,2009-07-23 Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabrications that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book *The A to Z of Postmodernist Literature and Theater* examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates

The Books of Jonah, Micah and Nahum Alasdair Gray,2010-12-01 This text presents the books of Jonah Micah and Nahum The book of Jonah shows the people of Nineveh being forgiven yet this overturns usual biblical narrative such as Micah and Nahum where Israel s enemies are expected to get their come uppance With an introduction by Alasdair Gray

Alasdair Gray Stephen Bernstein,1999-10 Since the publication of *Lanark* in 1981 Alasdair Gray has been a figure of importance in contemporary literature Now through attention to mixed genre counter historical narrative and the thematics of memory this first study of Alasdair Gray s novels shows the coherence of the Scottish writer s varied body of work Stephen Bernstein refuses to view Gray s work through the vague lens of postmodernism seeing Gray instead as a writer at home in a variety of literary traditions Beginning by providing an American audience with backgrounds to Gray s work this study recounts the chronology of his publications and their reception by an international audience simultaneously placing his writing in the contexts of Scottish culture and literature

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

[The Mainstream Companion to Scottish Literature](#) Trevor Royle,2012-01-06 *The Mainstream Companion to Scottish Literature* is the most comprehensive reference guide to Scotland s literature covering a period from the earliest times to the early 1990s

It includes over 600 essays on the lives and works of the principal poets novelists dramatists critics and men and women of letters who have written in English Scots or Gaelic Thus as well as such major writers as Robert Henryson William Dunbar Gavin Douglas Allan Ramsay Robert Fergusson Robert Burns Walter Scott Robert Louis Stevenson and Hugh MacDiarmid the Companion also lists many minor writers whose work might otherwise have been overlooked in any survey of Scottish literature Also included here are entries on the lives of other more peripheral writers such as historians philosophers diarists and divines whose work has made a contribution to Scottish letters Other essays range over such general subjects as the principal work of major writers literary movements historical events the world of printing and publishing folklore journalism drama and Gaelic A feature of the book is the inclusion of the bibliography of each writer and reference to the major critical works This comprehensive guide is an essential tool for the serious student of Scottish literature as well as being an ideal guide and companion for the general reader

Obituaries in the Performing Arts, 2019 Harris M. Lentz III, 2020-11-20 The entertainment world lost many notable talents in 2019 including television icon Doris Day iconic novelist Toni Morrison groundbreaking director John Singleton Broadway starlet Carol Channing and lovable Star Wars actor Peter Mayhew Obituaries of actors filmmakers musicians producers dancers composers writers animals and others associated with the performing arts who died in 2019 are included in this edition Date place and cause of death are provided for each along with a career recap and a photograph Filmographies are given for film and television performers

Poor Things Alasdair Gray, 2001 One of Alasdair Gray's most brilliant creations *Poor Things* is a postmodern revision of *Frankenstein* that replaces the traditional monster with Bella Baxter a beautiful young erotomaniac brought back to life with the brain of an infant Godwin Baxter's scientific ambition to create the perfect companion is realized when he finds the drowned body of Bella but his dream is thwarted by Dr Archibald McCandless's jealous love for Baxter's creation The hilarious tale of love and scandal that ensues would be the whole story in the hands of a lesser author which in fact it is for this account is actually written by Dr McCandless For Gray though this is only half the story after which Bella aka Victoria McCandless has her own say in the matter Satirizing the classic Victorian novel *Poor Things* is a hilarious political allegory and a thought provoking duel between the desires of men and the independence of women from one of Scotland's most accomplished authors

Shades of Gray Dietmar Böhnke, 2004 *Scotland's Books* Robert Crawford, 2009-01-30 From *Treasure Island* to *Trainspotting* Scotland's rich literary tradition has influenced writing across centuries and cultures far beyond its borders Here for the first time is a single volume presenting the glories of fifteen centuries of Scottish literature In *Scotland's Books* the much loved poet Robert Crawford tells the story of Scottish imaginative writing and its relationship to the country's history Stretching from the medieval masterpieces of St Columba's Iona the earliest surviving Scottish work to the energetic world of twenty first century writing by authors such as Ali Smith and James Kelman this outstanding account traces the development of literature in Scotland and explores the cultural linguistic and literary heritage of the nation It includes extracts from the

writing discussed to give a flavor of the original work and its new research ranges from specially made translations of ancient poems to previously unpublished material from the Scottish Enlightenment and interviews with living writers Informative and readable this is the definitive single volume guide to the marvelous legacy of Scottish literature **Literature of Scotland**

Roderick Watson,2006-11-24 Critics hailed the first edition of *The Literature of Scotland* as one of the most comprehensive and fascinatingly readable accounts of Scottish literature in all three of the country's languages Gaelic Scots and English In this extensively revised and expanded new edition Roderick Watson traces the lives and works of Scottish writers in a beautiful and rugged country that has been divided by political and religious conflict but united too by a democratic and egalitarian ideal of nationhood *The Literature of Scotland The Twentieth Century* provides a comprehensive account of the richest ever period in Scottish literary history From *The House with the Green Shutters* to *Trainspotting* and far beyond this companion volume to *The Literature of Scotland The Middle Ages to the Nineteenth Century* gives a critical and historical context to the upsurge of writing in the languages of Scotland Roderick Watson covers a wide range of modern and contemporary Scottish authors including MacDiarmid MacLean Grassie Gibbon Gunn Robert Garioch Iain Crichton Smith Alasdair Gray Edwin Morgan James Kelman Irvine Welsh Alan Warner A L Kennedy Liz Lochhead John Burnside Jackie Kay Kathleen Jamie and many many more Also featuring an extended list of Further Reading and a helpful chronological timeline this is an indispensable introduction to the great variety of Scottish writing which has emerged since the start of the twentieth century Scottish Literature Since 1707 Marshall Walker,2017-07-12 Marshall Walker's lively and readable account of the highs and lows of Scottish literature from this important date to the present addresses the important themes of democracy power and nationhood Disposing of stereotypical ideas about Scotland and the Scots this fresh approach to Scottish literature provides a critical interpretation of its distinctive style and presents the reader with an informative introduction to Scottish culture Coverage includes the Scottish enlightenment and the world of Boswell and David Hume to the Scottish Renaissance associated with Hugh MacDiarmid Developments in the contemporary literary scene include John McGrath's theatre Company and the fiction and poetry of Alasdair Gray and Ian Crichton Smith Particular attention is given to the work of Scottish women writers such as Lady Grizel Baillie and Liz Lochhead who have been much neglected in previous literature *Irregularities in Modern English* Hans Frede Nielsen,2007-01-01 This book is innovative when compared to the first edition in that it reverses the history of the English language It takes present day English as its point of departure and gives historical explanations only in so far as they illustrate modern forms The book does not presuppose a reading knowledge of Old and Middle English but provides students with ready answers to questions they may have concerning modern irregularities Dutch and German examples and parallels which might shed light on English forms and developments have also been included Comparisons not only heighten linguistic awareness on the part of the reader but also to show what exactly happened in closely related languages *Alasdair Gray* Rodge Glass,2012-04-05 Alasdair Gray author

of the modern classics *Lanark* *Poor Things* and 1982 *Janine* is without doubt Scotland's greatest living novelist Since trying unsuccessfully to buy him a drink in 1998 Rodge Glass first tutee and then secretary to the author takes on the role of biographer charting Gray's life from unpublished and unrecognised son of a box maker to septuagenarian little grey deity as Will Self has called him A Jewish Mancunian Boswell to Gray's Johnson Glass seamlessly weaves a chronological narrative of his subject's life into his own diary of meeting getting to know and working with the artist writer and campaigner to create a vibrant and wonderfully textured portrait of a literary great

Encyclopedia of the British Novel Virginia Brackett, Victoria Gaydosik, 2015-04-22 Praise for the print edition comprehensive Recommended **Every Short Story by Alasdair Gray 1951-2012** Alasdair Gray, 2012-11-15 Seventy three short tales from Gray's earlier books are here joined with sixteen new tales Droll Plausible all the original illustrations with some new and endnotes to inform every curious reader

Of Me and Others Alasdair Gray, 2019-02-07 In this frank playful and typically unorthodox collection of essays Alasdair Gray tells of how his early life experiences influenced his writing including the creation of those landmarks of literature *Lanark* and 1982 *Janine* He details the inspirations behind his many acclaimed artworks and murals and makes clear how his moral social and political beliefs and his work are inextricably linked Incisive funny and fired with passion *Of Me and Others* is as much about people place and politics as it is about Gray's own life in art

Books Magazine, 1993

McGrotty and Ludmilla Alasdair Gray, 2021-02-18 Mungo McGrotty's career in Whitehall is going nowhere But when he finds the mysterious and deadly Harbinger Report he realises he can blackmail his way to the very top This twisted Grayian retelling of the Aladdin story under the Thatcher regime sees our hero rise from pawn to power But at what cost

Short Story Paul March-Russell, 2009-05-15 This new general introduction emphasises the importance of the short story to an understanding of modern fiction In twenty succinct chapters the study paints a complete portrait of the short story its history culture aesthetics and economics European innovators such as Chekhov Flaubert and Kafka are compared to Irish New Zealand and British practitioners such as Joyce Mansfield and Carter as well as writers in the American tradition from Hawthorne and Poe to Barthelme and Carver Fresh attention is paid to experimental postcolonial and popular fiction alongside developments in Anglo American Hispanic and European literature Critical approaches to the short story are debated and reassessed while discussion of the short story is related to contemporary critical theory In what promises to be essential reading for students and academics the study sets out to prove that the short story remains vital to the emerging culture of the twenty first century

Guide to Collective Biographies for Children and Young Adults Sue Barancik, 2005 Help middle and high school students find the books they need for school reports quickly and easily The author has indexed the lives and accomplishments of more than 5 700 notable men and women from ancient through modern times in this tool that will aid librarians media specialists and teachers with a student's search to find biographies written especially for their age group
