McLane, 2008-09-04 More than any other period of British literature Romanticism is strongly identified with a single genre Romantic poetry has been one of the most enduring best loved most widely read and most frequently studied genres for two centuries and remains no less so today This Companion offers a comprehensive overview and interpretation of the poetry of the period in its literary and historical contexts The essays consider its metrical formal and linguistic features its relation to history its influence on other genres its reflections of empire and nationalism both within and outside the British Isles and the various implications of oral transmission and the rapid expansion of print culture and mass readership Attention is given to the work of less well known or recently rediscovered authors alongside the achievements of some of the greatest poets in the English language Wordsworth Coleridge Blake Scott Burns Keats Shelley Byron and Clare Selected Poems of Solomon

Ibn Gabirol Solomon Ibn Gabirol, 2016-06-30 Poet philosopher and sensitive misanthrope a spectacular fly in the ointment of the refined eleventh century Andalusian Jewish elite Solomon Ibn Gabirol comes down to us as one of the most complicated intellectual figures in the history of post biblical Judaism Unlike his worldly predecessor Shmuel HaNagid the first important poet of the period Ibn Gabirol was a reclusive mystically inclined figure whose modern sounding medieval poems range from sublime descriptions of the heavenly spheres to poisonous jabs at court life and its pretenders His verse which demonstrates complete mastery of the classicizing avant garde poetics of the day grafted an Arabic aesthetic onto a biblical vocabulary and Jewish setting taking Hebrew poetry to a level of metaphysical sophistication and devotional power it has not achieved since Peter Cole s selection includes poems from nearly all of Ibn Gabirol s secular and liturgical lyric genres as well as a complete translation of the poet s long masterwork Kingdom s Crown Cole s rich inventive introduction places the poetry in historical

context and charts its influence through the centuries Extensive annotations accompany the poems This companion volume to Peter Cole s critically acclaimed *Selected Poems of Shmuel HaNagid* presents the first comprehensive selection of Ibn Gabirol s verse to be published in English and brings to life an astonishing body of poetry by one of the greatest Jewish writers of all time [Reading Philip Larkin: Selected Poems](#) John Gilroy,2012-06-01 Our best selling poetry introduction offers a detailed commentary on the poetry of Philip Larkin exploring the political and cultural contexts which have shaped his contemporary reputation Part 1 Life and Times traces Larkin s early years and follows his development within his career as a university librarian into one of the most important and popular voices in twentieth century poetry Part 2 Artistic Strategies explores a range of methodologies and aesthetic influences by which Larkin was empowered to create poetry at once both accessible and profound Part 3 Reading Larkin provides detailed critical commentary on many of the poems from his three major collections *The Less Deceived* *The Whitsun Weddings* and *High Windows* Part 4 Reception outlines the history of Larkin s reputation from the mid 1950s to the present examining the debates to which his poetry has given rise John Gilroy teaches at Anglia Ruskin University and for the University of Cambridge Institute of Continuing Education

Sincerity's Shadow Deborah FORBES, Deborah Forbes, 2009-06-30 In a work of surprising range and authority Deborah Forbes refocuses critical discussion of both Romantic and modern poetry Sincerity's Shadow is a versatile conceptual toolkit for reading poetry Ever since Wordsworth redefined poetry as the spontaneous overflow of powerful feelings poets in English have sought to represent a sincere self consciousness through their work Forbes's generative insight is that this project can only succeed by staging its own failures Self representation never achieves final sincerity but rather produces an array of sincerity effects that give form to poetry's exploration of self In essays comparing poets as seemingly different in context and temperament as Wordsworth and Adrienne Rich Lord Byron and Anne Sexton John Keats and Elizabeth Bishop Forbes reveals unexpected convergences of poetic strategy A lively and convincing dialectic is sustained through detailed readings of individual poems By preserving the possible claims of sincerity longer than postmodern criticism has tended to while understanding sincerity in the strictest sense possible Forbes establishes a new vantage on the purposes of poetry

Table of Contents Introduction 1 The Personal Universal Sincerity as Integrity in the Poetry of Wordsworth and Rich 2 Before and After Sincerity as Form in the Poetry of Wordsworth Lowell Rich and Plath 3 Sincerity and the Staged Confession The Monologues of Browning Eliot Berryman and Plath 4 The Drama of Breakdown and the Breakdown of Drama The Charismatic Poetry of Byron and Sexton 5 Agnostic Sincerity The Poet as Observer in the Work of Keats Bishop and Merrill Conclusion Notes Index From the Conclusion In spite of modern

experiments in communal authorship writing poetry remains one of the most individual of acts and yet because it provides the ground upon which the paradoxes of self consciousness can move most freely one of the acts most skeptical about the authority of any individual claim to self understanding In undertaking its experiments poetry may separate itself from certain contexts economic political historical but is itself as local and concrete as these contexts an experience as well as a meditation on our experiences In its particularity its flexibility its sensual and sonic complexity its consideration of the extra rational experiences of pleasure and desire and above all in the ways in which it speaks with both more and less authority more and less presence than an actual human voice poetry offers us the experience of the unknown at the core of proposed self knowledge This is lyric poetry s enduring though not sole claim on us      Select Poems of Matthew Arnold Matthew Arnold,1908      **Selected Poems** Victor Hugo,2013-05-13 This generous varied selection of poems by one of France s best loved and most reviled poets is presented with facing originals detailed notes and a lively introduction to the author s life and work Steven Monte presents more than eighty poems in translation and in the original French taken from the earliest poetic publications of the 1820 s through collections published during exile to works published in the years following Hugo s death in 1883 The introduction provides helpful background information about Hugo s life and work the selection and what is involved in translating a poet whose effortless rhymes are central to the poetry s power Detailed notes at the back of the volume offer information about the poems and their publishing and historical contexts This is an ideal introduction to a poet whose work for all its renown remains for Anglophone readers undiscovered      **Collected Poems** Galway Kinnell,2017 The first complete showcase of one of the true master poets of his generation Galway Kinnell 1927 2014 a lifetime s work and a deeply lived life reflected in over two hundred poems      **The Manuscript Poems of A. E. Housman** Tom Burns Haber,1955-01-01 The Manuscript Poems of A E Housman was first published in 1955 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Poetry lovers everywhere and devotees of A E Housman in particular will recognize a major literary event in the publication of this volume for it makes available for the first time some 800 lines of hitherto unpublished poetry by the well loved author of A Shropshire Lad This is a significant addition to the Housman treasury because the English poet published a total of only 2216 lines of poetry during his lifetime Dr Haber has drawn the material for this volume from the four Housman notebooks in the Library of Congress where they were deposited in 1940 four years after the poet s death In an introductory section the editor describes the notebooks themselves and tells in detail the fascinating story of how the manuscripts erased canceled and glued fast to mounting sheets were preserved and deciphered The notebooks dated from 1890 to 1925 contain the most valuable manuscript remains of Housman s poetic writings In the material that is published here for the first time there are included complete poems fragments of poems and abandoned lines and stanzas from well known lyrics In addition the editor has provided a list of variants which the poet inserted into his

printers copies of A Shropshire Lad and Last Poems Among the newly published complete poems are some that Dr Haber believes should be ranked with Housman s outstanding work In the material that shows the poet s revisions of his own writings the reader is afforded an intimate glimpse into the creative processes of a poetic genius a privilege that will be especially appreciated by students and critics Many explanatory notes are appended to show how Housman s poetry matured from first draft through final copy to the printed page **Select Poems of Oliver Goldsmith** Oliver Goldsmith,1878
