**Ten Commandments for Pastors New to a Congregation** Lawrence W. Farris, 2003-10-21 The opening months of a new pastorate are decisive for how that ministry will unfold so great care should be taken to begin wisely and well Simply transplanting programs and habits that worked elsewhere ignoring the specific dynamics of the new congregation and its people making too few significant changes or making too many insignificant changes will create problems for the new pastor that may never be overcome Ten Commandments for Pastors New to a Congregation offers specific down to earth principles and guidance on how to make a good beginning one that will lay the foundation for years of fruitful ministry Drawing on twenty five years of parish ministry during which he has mentored many new and transitioning pastors Lawrence Farris here provides ten guidelines illustrated with relevant examples that identify potential pitfalls and show how to avoid them Such areas as preaching pastoral care self care community and denominational commitments and role clarity are addressed with an emphasis on practical approaches to ministry in a new setting Farris also gives clear advice on how to learn the new congregation and its setting how to set appropriate personal and professional boundaries and how to stay focused on what matters most in a new ministry Lively practical and brief enough for the new pastor to have time to actually read it Ten Commandments for Pastors New to a Congregation is a must read both for pastors on the move and for individuals preparing Ten Commandments for Pastors Leaving a Congregation Lawrence W. Farris, 2006 Pastoral for first time ministry transitions can be fraught with pitfalls yet there is advice that can help ministers and congregations avoid those dangers Lawrence Farris a pastor who himself has left three churches here gives ten wise thoughtful commandments for shepherds leaving their flock Far from heavy handed dictums these commandments are more gospel than law laying out helpful strategies in such areas as recognizing when to depart patching broken relationships and enabling the next pastor to make a clean start While many may dream of a comfortable long term pastorate today s transient congregational realities make the wisdom in this book relevant for pastors in churches big and small liberal moderate and conservative Perfect for pastors soon to depart and for those happy to stay put for now Ten Commandments for Pastors Leaving a Congregation provides welcome quidance to both pastors and parishioners facing this hopeful and challenging transition The Alchemical Harry Potter Anne J. Mamary, 2020-12-21 When Harry Potter first boards the Hogwarts Express he journeys to a world which Rowling says has alchemy as its internal logic The Philosopher's Stone known for its power to transform base metals into gold and to give immortality to its maker is the subject of the conflict between Harry and Voldemort in the first book of the series But alchemy is not about money or eternal life it is much more about the transformations of desire of power and of people through love Harry's equally remarkable and ordinary power to love leads to his desire to find but not use the Philosopher's Stone at the start of the series and his wish to end the destructive power of the Elder Wand at the end This collection of essays on alchemical symbolism and transformations in Rowling's series demonstrates how Harry's work with magical objects people

and creatures transfigure desire power and identity As Harry's leaden existence on Privet Drive is transformed in the company of his friends and teachers the Harry Potter novels have transformed millions of readers inspiring us to find the gold in our ordinary lives Preventing Ministry Failure Michael Todd Wilson, Brad Hoffmann, 2013-12-16 Brad Hoffman and Michael Todd Wilson present this workbook designed to be used by people in vocational ministry alongside their peers to safeguard them from burnout moral failure and spiritual exhaustion The Ministry Answer Book for Pastors Gary L.
