Modern American Playwrights, 1918-1945 Joseph Abraham Weingarten, 1946 The Undergraduate's Companion to American Writers and Their Web Sites Larry G. Hinman, 2000-12-15 An outstanding research guide for undergraduate students of American literature this best selling book is essential when it comes to researching American authors Bracken and Hinman identify and describe the best and most current sources both in print and online for nearly 300 American writers whose works are included in the most frequently used literary anthologies Students will know exactly what information is available and where to find it **A Reference Guide for English Studies** Michael J. Marcuse, 2023-11-15 **World Encyclopedia of Contemporary Theatre** Irving Brown (Consulting Bibliographer), Natasha Rappaport (Bibliographer), Don Rubin (General Editor), Rosabel Wang (Consulting Bibliographer), 2013-10-11 An annotated world theatre bibliography documenting significant theatre materials published world wide since 1945 plus an index to key names throughout the six volumes of the series **Masterpieces of 20th-Century American Drama** Susan C. W. Abbotson, 2005-09-30 American playwrights have made enormous contributions to world drama during the last century and their works are widely read and performed This reference conveniently introduces 10 of the most important modern American plays read by students An introductory essay concisely overviews modern American drama and each of the chapters that follow examines a particular play Among the plays discussed are Thornton Wilder's *Our Town* Arthur Miller's *Death of a Salesman* Lorraine Hansberry's *A Raisin in the Sun* and August Wilson's *The Piano Lesson* Each chapter includes a biography a plot summary an analysis of the play's themes characters and dramatic art and a review of its historical background and reception Chapters list works for further reading and the volume closes with a selected general bibliography *American Drama of the Twentieth Century* Gerald M. Berkowitz, 2014-07-15 In this book Professor Berkowitz studies the diversity of American drama from the stylistic experimental plays of O'Neill through verse tragedy and community theatre to the theatre of the 1990s The discussions range through dramatists plays genres and themes with full supporting appendix material It also examines major dramatists such

as Eugene O'Neill, Arthur Miller, Sam Shepard, Tennessee Williams and August Wilson and covers not only the Broadway scene but also off Broadway movements and fringe theatres and such subjects as women's and African American drama.

Asian American Playwrights Miles Liu, 2002-05-30 In the late nineteenth century Asian American drama made its debut with the spotlight firmly on the lives and struggles of Asians in North America rather than on the cultures and traditions of the Asian homeland. Today Asian American playwrights continue to challenge the limitations of established theatrical conventions and direct popular attention toward issues and experiences that might otherwise be ignored or marginalized. While Asian American literature came into full bloom in the last 25 years, Asian American drama has yet to receive the kind of critical attention it warrants. This reference book serves as a versatile vehicle for exploring the field of Asian American drama from its recorded conception to its present stage. Included are alphabetically arranged entries for 52 Asian American dramatists of origins from India, Pakistan, Vietnam, the Philippines, Japan, Korea, and China. Each entry includes relevant biographical information that contextualizes the works of a playwright, an interpretive description of selected plays that spotlights recurring themes and plots, a summary of the playwright's critical reception, and a bibliography of primary and secondary works. The entries are written by expert contributors and reflect the ethnic diversity of the Asian American community. The volume closes with a selected general bibliography which includes anthologies, scholarly studies, and periodicals.

Conversations with Contemporary American Writers: Saul Bellow, I.B. Singer, Joyce Carol Oates, David Madden, Barry Beckham, Josephine Miles, Gerald Stern, Stephen Dunn, Etheridge Knight, Marilynne Robinson and William Stafford Sanford Pinsker, 2021-11-08

The Cambridge Companion to Sam Shepard Matthew Roudané, 2002-05-27 Few American playwrights have exerted as much influence on the contemporary stage as Sam Shepard. His plays are performed on and off Broadway and in all the major regional American theatres. They are also widely performed and studied in Europe, particularly in Britain, Germany, and France, finding both a popular and scholarly audience. In this collection of seventeen original essays, American and European authors from different professional and academic backgrounds explore the various aspects of Shepard's career: his plays, poetry, music, fiction, acting, directing, and film work. The volume covers the major plays, including *Curse of the Starving Class*, *Buried Child*, and *True West*, as well as other lesser-known but vitally important works. A thorough chronology of Shepard's life and career, together with biographical chapters, a note from the legendary Joseph Chaikin, and an interview with the playwright, give a fascinating first-hand account of an exuberant and experimental personality.

Peering Behind the Curtain Kimball King, Tom Fahy, 2013-10-15 This volume addresses disability in theater and features all new work, including critical essays, interviews, personal essays, and an original play. It fills a gap in scholarship while promoting the profile of disability in theater. *Peering Behind the Curtain* examines the issues surrounding disability in many well-known plays, including *Children of a Lesser God*, *The Elephant Man*, *Night Mother*, and *Wit*, as well as an original play by James McDonald.

Contemporary African American Female Playwrights Dana A. Williams, 1998-06-30 Lorraine Hansberry's *A Raisin in the Sun* 1959 was a major dramatic success and brought to the world's attention the potential talent of African American women playwrights But in spite of Hansberry's landmark contribution both the theater and the literary world have often failed to include contemporary African American female playwrights within the circle of production publication and criticism In African American drama anthologies female playwrights are seldom given the degree of attention that is accorded their male counterparts And because of space constraints anthologies of works by women playwrights are forced to exclude numerous female dramatists including African Americans Meanwhile some scholars have argued that the works of African American female playwrights are seldom produced in the mainstream theater because these plays frequently challenge the views of white America But as *A Raisin in the Sun* demonstrates plays by African American women dramatists can have a powerful message and are worthy of attention A comprehensive research tool this annotated bibliography sheds light on the often neglected works of contemporary African American female playwrights Included within its scope are those dramatists who have had at least one work published since 1959 the year of Hansberry's monumental achievement The first section provides a listing of anthologies that include one or more plays written by an African American female dramatist The second gives entries for reference works and for scholarly and critical studies of the dramatists and their plays The third presents a listing of published plays by individual dramatists along with a summary of each drama the works of each playwright that are related to drama and secondary sources that treat the dramatists and their plays Entries are accompanied by concise but informative annotations and the volume closes with a list of periodicals that frequently publish criticism of African American female playwrights a section of brief biographical sketches of the dramatists and extensive indexes **A Study Guide for**
