Guarendi offers parents a roadmap through this difficult and sometimes frightening terrain **Raising Great Kids for Parents of Preschoolers** Henry Cloud, John Townsend, John Sims Townsend, 2000-04-25 Raising kids of character is a daunting task so there's no better time to start than when they're young. The first few years of life is the most critical period of growth and development. Infants start the process of trusting the love of Mom and Dad and God, toddlers begin experiencing freedom and responsibility and children start understanding how to function in the real world. In short, this is the period in which a child's soul is developed. As a parent, you are right at the center of that process. It's impossible to overestimate how important a role you play in rearing your child. As the Bible teaches, God shows us how to trust in him, even at my mother's breast, Psalm 22:9. But most parents feel overwhelmed by the complexity of the job. With so many things to worry about, how do you know the real tasks and goals of parenting? Many moms and dads become discouraged or don't know where to start. We wrote *Raising Great Kids* and developed this curriculum to help you. In this video curriculum, just as in the book, we offer you a structure for approaching parenting. We provide a road map for creating character in your children, the ability to function as God designed them to function in the world. The biblical principles set forth in the book apply to all ages and stages of kids, so you can use them as a guide for all the years you parent. This video curriculum, however, deals specifically with infants, toddlers, and preschoolers. It addresses, in a practical, hands-on manner, situations and issues you encounter with children five years old and younger. Our goal is to help empower parents of these children, moms and dads like you, to become intentional and effective in your parenting. We're glad you've decided to invest the time and effort in your children by working through *Raising Great Kids for Parents of Preschoolers*. We pray that God will use this study to help your parenting be the successful and worthwhile relationship he designed it to be. We appreciate your labors as a parent and may God bless you.

Her World of Darkness and Pain Laketta Lowery, 2012-04-05 Does society recognize bullying as a serious issue that children and teenagers deal with every day? Do they understand the long-term negative effects bullying can have on a person's life? Author Laketta Lowery knows about bullying from her own experiences. She travels to schools and organizations as a motivational speaker, speaking out on the topic of bullying and self-esteem. In *Her World of Darkness and Pain*, she addresses the very serious issue of bullying head-on, first by sharing her own story and then by relating ways to combat this very real problem. Bullying has become more prevalent in today's schools, organizations, and with the younger generation. It is a very serious problem because it can lead to isolation, depression, and suicide, while having a long-term effect on the victim's life along with their social, emotional, and spiritual well-being. But there is hope. Everyone can take the bullying challenge to step up and do the right thing: to either prevent or stop bullying by standing up and telling a bully to stop, defending a victim, telling an authority figure that someone is being bullied, doing all they can to raise bullying awareness, speaking out, and speaking up. Do not be afraid to speak up if you see someone bullying, because it's the only way to stop this epidemic from spreading.
