Sherwood, E. Castelli, 2016-09-27 In the last few years Derrida has gained a great deal of attention from scholars of biblical studies and theology. The contributors to *Derrida's Bible* explore the relationships between Derrida's theory and religious studies. Unlike other books on Derrida, this collection is primarily focused on biblical studies where others are concerned with Derrida and religion in general. *Discover the Truth About Jesus and the Secrets of Bible* M. M. Mangasarian, 2020-12-17

*Discover the Truth About Jesus and the Secrets of Bible* offers a series of studies on the question of the historicity of Jesus presented before the Independent Religious Society in Orchestra Hall. In *The Bible Unveiled* Mangasarian presents numerous evidences which prove that the Bible is not an authentic book but a compilation of older myths and legends. **The Two**

**Gods in the Bible** Andrew Scrima, 2018-02-23 This book *The Two Gods in the Bible* is designed and intended to spark and spur the interest of an individual, encourage the intuitive investigative prowess of even the most rudimentary reader to discover and realize the true teachings found and bound within the Bible and to reveal the secrets and mysteries hidden in between the lines. Not one contemporary or conventional denomination conforms to a strict biblical interpretation so were left to our own imagination and the infantile illustrations that mainstream media has supplied for decades. Unfortunately they have been conscientiously consistent with only adhering to and tendering fairy tale versions of the alleged real life stories details and entailed within. All of which are in most cases very far from the truth according to the Bible. This book exposes the deception that's been conflated by well meaning but misguided ministers, clarifies the contradictory ambiguity pervaded by the various denominations and reveals Satan's so called deep secrets actually mentioned in Rev 2:24. *The Gnostic Bible*

Willis Barnstone, Marvin W. Meyer, 2006 The most comprehensive collection of gnostic literature ever published. This volume is the result of a unique collaboration between a renowned poet/translator and a leading scholar of early Christian texts. **A**

**Window to Secrets and Mysteries in the Bible** B. C. Bridges, 2011-02-10 This book *A Window To Secrets And Mysteries In The Bible* is just what the title claims. Other people may know about these things but if so I have never heard it expressed. After reading this book you may read the Bible in a slightly different way. That doesn't mean that the contents of this book tries to change the Bible in any way. It does not try to add a single word to the Bible nor does it try to take a single word away from it. In the book of Revelation in the last chapter God's word tells us of the terrible punishment that would befall any one trying to do that. If you have already read the Bible you may feel like you want to read it again just to make sure that what you read is really what it said to you. So get back in the Bible and maybe get surprised. You could find other mysteries not in this book. Super Simple Bible Lessons (Ages 3-5) LeeDell Stickler, 2005 *Super Simple Bible Lessons* contains sixty Bible
