Counseling Assessment and Evaluation Joshua C. Watson, Brandé Flamez, 2014-07-24 Designed to help students learn how to assess clients, conduct treatment planning and evaluate client outcomes, this practical book addresses specific CACREP competencies. Incorporating case studies and examples, authors Joshua C. Watson and Brand Flamez provide foundational knowledge for sound formal and informal assessments, cover ethical and legal considerations in assessment, describe basic statistical concepts, highlight the domains in which assessments are commonly used (intelligence, aptitude, achievement, personality, career, etc.) and provide strategies for integrating assessment data when working with clients. Counseling Assessment and Evaluation is part of the SAGE Counseling and Professional Identity Series, which targets specific competencies identified by CACREP Council for Accreditation of Counseling and Related Programs. Assessing English Language Learners in the Content Areas Florin Mihai, 2010-06-11 Assessing English Language Learners in the Content Areas A Research into Practice Guide for Educators seeks to provide guidance to classroom teachers, staff developers and test item designers who want to improve ELL assessment outcomes, particularly in the areas of math, science and social studies. The first two chapters of the book establish the background for the discussion of content area assessment for ELLs, examining several important characteristics of this rapidly growing student population as well as critical legislation affecting ELLs and providing a description of various forms of assessment, including how ELL assessment is different from the assessment of English proficient students. Important assessment principles that educators should use in their evaluation of tests or other forms of measurement are provided. Other chapters review ELL test accommodations nationwide because surprisingly most teachers do not know what they can and cannot allow and the research on the effectiveness of these types of accommodations. The book analyzes the characteristics of alternative assessment; it discusses three popular alternative

assessment instruments performance assessment curriculum based measurement and portfolios and makes recommendations as to how to increase the validity reliability and practicality of alternative assessments The book proposes fundamental assessment practices to help content area teachers in their evaluation of their ELL progress State Assessment Policy and Practice for English Language Learners Charlene Rivera, Eric Collum, 2014-05-12 State Assessment Policy and Practice for English Language Learners presents three significant studies each examining a different aspect of states strategies for including English language learners in state assessments an Analysis of State Assessment Policies Regarding Accommodations for English Language Learners a Survey and Description of Test Translation Practices and an Examination of State Practices for Reporting Participation and Performance of English Language Learners in State Assessments With the rise in population of English language learners and the subsequent stepped up legislative focus on this student population over the past decade states have been challenged to include English language learners in state assessment programs Until now the little data available on states policies and practices for meeting this challenge has been embedded in various reports and professional journals and scattered across the Internet This volume offers for the first time a focused examination of states assessment policies and practices regarding English language learners The three studies were supported by OELA the U S Department of Education s Office of English Language Acquisition Language Enhancement and Academic Achievement for Limited English Proficient Students State Assessment Policy and Practice for English Language Learners is of interest to researchers and professionals involved with the assessment of English language learners state and district level policy makers and academics teacher educators and graduate students in a number of fields including educational and psychological assessment testing and measurement bilingual education English as a second language and second language acquisition The Assessment Debate Valerie J.
