*Tennessee Williams in Tangier* Muḥammad Shukrī, 1973      **Mohamed Choukri. Tennessee Williams in Tangier** Muhammad Šukri, 1979      *The Collected Poems of Tennessee Williams* Tennessee Williams, 2007 A definitive collection of poetic works by the eminent playwright features substantial piece variants poems from his plays and accompanying explanatory notes in a volume that is complemented by a CD recording of the author's reading of his Blue Mountain Ballads and other works Reprint      **The Tangier Diaries** John Hopkins, 2015-09-21 Tangier in the 1960s and 70s was a fabled place This edge city the Interzone became muse and escapist's dream for artists writers millionaires and socialites who wrote painted partied and experienced life with an intensity and freedom that they never could back home Into this louche and cosmopolitan world came John Hopkins a young writer who became a part of the bohemian Tangier crowd with its core of Beats that included William Burroughs Paul and Jane Bowles and Brion Gysin as well as Tennessee Williams Jean Genet Yves Saint Laurent Barbara Hutton and Malcolm Forbes Those intoxicating decades Tangier's Golden Years are long gone Grand old houses that once sparkled with life are shuttered and dark and most of the eccentrics who once lived and loved in the city have died But here in the pages of John Hopkins cult classic all the decadence and flamboyance of those days is brought to life once more      *Writing Tangier* Ralph M. Coury, Robert Kevin Lacey, 2009 Writing Tangier discusses an array of topics relating to the literature on Tangier from the seventeenth century to the present Major questions include Why has Tangier come to play an important role in contemporary world literary history as a signifier in the literary imagination what is the nature of the intertextual output produced through Paul Bowles translations of the oral tales of a circle of uneducated storytellers including Mohammed Mrabet and Larbi Layachi and the text *For Bread Alone* brought to Bowles by the literate Mohamed Choukri how do academics artists and writers who have been based in the city or who have written about it assess the various socio economic political and cultural factors that have shaped its cultural production and the relationship of this production to the celebrated hybrid aspects of its identity does the success of the literature of Tangier reflect a truly new multicultural cosmopolitanism or does it stem from the fact that this literature is congenial to Westerners that it is understood in terms that they themselves define and that much of it including productions in Arabic prepared with the expectation of translation has even been written to measure for them      **Who's Who in Contemporary Gay and Lesbian History Vol.2** Robert Aldrich, Garry Wotherspoon, 2005-07-25 Who's Who in Contemporary Gay and Lesbian History From World War II to the Present Day provides a comprehensive modern biographical survey of homosexuality in the Western world Among those included are Controversial political activists Peter Tatchell Guy Hocquenghem Harvey Milk Pop icons David Bowie k d lang Boy George Groundbreaking artists writers and filmmakers Pier Paolo Pasolini Derek Jarman David Hockney Intellectuals who have shaped and changed the modern understanding of sexuality Michel Foucault Simone de Beauvoir Alfred Kinsey Over 500 entries clear informative and enjoyable to read build up a superbly thorough overview of

Walonen, 2016-02-17 In his study of the Tangier expatriate community Michael K Walonen analyzes the representations of French and Spanish Colonial North Africa by Paul Bowles Jane Bowles William Burroughs Brion Gysin and Alfred Chester during the end of the colonial era and the earliest days of post independence The conceptualizations of space in these authors' descriptions of Tangier Walonen shows share common components an attention to the transformative potential of the conflict sweeping the

region a record of the power relations that divided space along lines of gender and ethnicity including the spatial impact of the widespread sexual commerce between Westerners and natives a vision of the Maghreb as a land that can be dominated or imposed on as a kind of frontier space an expression of anxieties about the specters of Cold War antagonisms and an embrace of the underlying logic of the market to the culture of the Maghreb Counterbalancing the depictions of Tangier by Westerners who sought to reconcile their nostalgia for the colonial order with their support of native demands for independent governance is Walonen s extended analysis of the contrasting sense of place found in the writings of native Moroccan authors such as Mohammed Choukri Tahar Ben Jelloun and Anouar Majid In its focus on Tangier and the larger Maghreb as a lived environment situated at a particular spatial and temporal crossroads Walonen s study makes an important contribution to the fields of urban transatlantic and postcolonial studies

Edsall,2003-09-29 As recently as the 1970s gay and lesbian history was a relatively unexplored field for serious scholars The past quarter century however has seen enormous growth in gay and lesbian studies The literature is now voluminous it is also widely scattered and not always easily accessible In *Toward Stonewall* Nicholas Edsall provides a much needed synthesis drawing upon both scholarly and popular writings to chart the development of homosexual subcultures in the modern era and the uneasy place they have occupied in Western society Edsall s survey begins three hundred years ago in northwestern Europe when homosexual subcultures recognizably similar to those of our own era began to emerge and it follows their surprisingly diverse paths through the Enlightenment to the early nineteenth century The book then turns to the Victorian era tracing the development of articulate and self aware homosexual subcultures With a greater sense of identity and organization came new forms of resistance this was the age that saw the persecution of Oscar Wilde among others as well as the medical establishment s labeling of homosexuality as a sign of degeneracy The book s final section locates the foundations of present day gay sub cultures in a succession of twentieth century scenes and events in pre Nazi Germany in the lesbian world of interwar Paris in the law reforms of 1960s England culminating in the emergence of popular movements in the postwar United States Rather than examining these groups in isolation the book considers them in their social contexts and as comparable to other subordinate groups and minority

movements In the process Toward Stonewall illuminates not only the subcultures that are its primary subject but the larger societies from which they emerged *The Rough Guide to Morocco* Daniel Jacobs,Keith Drew,2013-04-02 Now available in ePub format The Rough Guide to Morocco is the top travel guide for this beguiling country This full color edition is now updated and formatted to be more user friendly than ever with all practical details for each town together in one place Accommodation and eating options for all budgets are included from the chic riads of Marrakesh to the backstreets of Tangier and fine dining in Casablanca from oasis hopping in the desert to mountain treks in the High Atlas The Rough Guide to Morocco gives you the lowdown on how to get where you re going where to stay when you get there and the best places to eat drink and hang out Clear maps supplement the text throughout and there s even a detailed food glossary in English Arabic and French When planning a trip to this unique part of the world you ll find practical information to make your way with ease and the context you need to understand what makes Morocco tick Make the most of your time with The Rough Guide to Morocco [Insight Guides Morocco \(Travel Guide eBook\)](#) Insight Guides,2023-10-01 This Insight Guide is a lavishly illustrated inspirational travel guide to Morocco and a beautiful souvenir of your trip Perfect for travellers looking for a deeper dive into the destination s history and culture it s ideal to inspire and help you plan your travels With its great selection of places to see and colourful magazine style layout this Morocco guidebook is just the tool you need to accompany you before or during your trip Whether it s deciding when to go choosing what to see or creating a travel plan to cover key places like Fez and Marrakech it will answer all the questions you might have along the way It will also help guide you when you ll be exploring Agadir and the Deep South or discovering Tangier on the ground Our Morocco travel guide was fully updated post COVID 19 The Insight Guide MOROCCO covers Tangier the Rif the Northwest Coast Rabat and Sal Casablanca south of Casablanca Essaouira and the Southwest coast Fez the Meknes region the Middle Atlas Marrakech the High Atlas the South Agadir and the Deep South In this guide book to Morocco you will find IN DEPTH CULTURAL AND HISTORICAL FEATURES Created to provide a deeper dive into the culture and the history of Morocco to get a greater understanding of its modern day life people and politics BEST OF The top attractions and Editor s Choice featured in this Morocco guide book highlight the most special places to visit TIPS AND FACTS Up to date historical timeline and in depth cultural background to Morocco as well as an introduction to Morocco s food and drink and fun destination specific features PRACTICAL TRAVEL INFORMATION A Z of useful advice on everything from when to go to Morocco how to get there and how to get around to Morocco s climate advice on tipping etiquette and more COLOUR CODED CHAPTERS Every part of the destination from Essaouira and the Southwest coast to the Meknes region has its own colour assigned for easy navigation of this Morocco travel guide CURATED PLACES HIGH QUALITY MAPS Geographically organised text cross referenced against full colour high quality travel maps for quick orientation in Meknes Tangier and many other locations in Morocco STRIKING PICTURES This guide book to Morocco features inspirational colour photography including the stunning Jardin Majorelle and the
