is truly a creative work of art that unfolds emotion one layer at a time A young women s life purpose spoken in her dreams and written in hopes to help others through her inspirational power and faith in a higher being Most of us are searching for something or someone to fill a void in our lives The answer is always much closer than anyone realizes yet so many have walked the other direction This book will take you through the journey of how the author came to learn about a world much greater than the one we live in The life situations you read will give you a better understanding of the character s strength despite the many hardships she endured Her driving will to move forward for a sense of peace within our ever changing chaotic world will keep you engaged From the strangers we meet with an ultimate purpose and the messages hidden within our subconscious there is a greater purpose to life than most of us acknowledge It is her hope that this book will help you see into your own soul and uncover any truths that might lay dormant waiting to be seen from a fresh perspective It s time to love again be free again and see the world again After all the experience is why we are all here to begin with Tera, My Journey Home Kathleen A.
