Our Church Mothers Gwen Ehrenborg, 2021-09-21 Our Church Mothers contains seven first person letters from formidable historical women who crafted for themselves roles of strategic importance in the history of Christianity You will become personally familiar with Katharina Luther first lady of the Reformation Susanna Wesley the Mother of Methodism Catherine Booth co founder of the Salvation Army Mary the Mother of Jesus St Clare best friend of Francis of Assisi Mother Teresa of Calcutta and Judge Deborah as a forerunner You will be moved as you read these heroines letters written to encourage today s believers as they share their thoughts feelings and daring experiences as they were led by the Spirit of God Learn how these female leaders and their partners in ministry overcame tremendous challenges to bear fruit for the Kingdom of God Living in different countries centuries and cultures they certainly share admirable characteristics in sacrificially choosing to address ignored human needs they observe with exceptional faith and action A common theme among these women is that not only their own children but their constituents as well recognized them as exceptional Mother figures and as spiritual leaders anointed by God Each of these women were addressed as Mother even though three of them never had children by birth The five mothers who were also wives ably supported their husbands as helpmates while pursuing their own spiritual calling None of these women allowed negative social pressures to prevent them from achieving their ministry goals All seven women have name recognition today yet people are surprised to learn that Mother Teresa was actually an Irish nun born in Albania who became a citizen of India Did you know the monk Martin Luther at age 41 took a wife who was a 26 year old former nun who bore him 6 children or the Salvation Army founders William and Catherine Booth s love story rivals that of the Barrett Brownings and that Judge Deborah was the Joan of Arc of her day The writing style in each letter indicates a desire for a personal friendship between the author and their modern day reader as fellow believers When these ladies share the fruitful work of God in their lives

they clearly hope to encourage others to believe they too can positively make a real change in their world for the benefit of others and the glory of God Let these heroic Mothers of the Faith inspire and challenge you to fulfill your destiny and unique service to Christ Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian,2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charisma endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God *The Riverside Dictionary of Biography* American Heritage Dictionary,2005 Publisher Description The Great Pictorial History of World Crime Jay Robert Nash,2004-04-29 The vast and mysterious world of criminals from ancient times through the 21st century is vividly captured in The Great Pictorial History of World Crime This unique and staggering reference work chronicles every major criminal act from every era A definitive reference source to worldwide crime this unparalleled survey is organized into sixteen chapters
