Mother Teresa Gezim Alphon,2006-10-16 Mother Teresa was one of the most written about and publicised women in modern times Apart from Pope John Paul II she was arguably the most advertised religious celebrity in the last quarter of the twentieth century During her lifetime as well as posthumously Mother Teresa continues to generate a huge level of interest and heated debate Gzim Alphon explores the significance of Mother Teresa to the mass media to celebrity culture to the Church and to various political groups A section explores the ways different vested interests have sought to appropriate her after her death and also examines Mother Teresa's own attitude to her childhood and to the Balkan conflicts in the 1980s and 1990s This book sheds a new and fascinating light upon this remarkable and influential woman which will intrigue followers of Mother Teresa and those who study the vagaries of stardom and celebrity culture [The Biography Book](#) Daniel S. [Mother Teresa's Lessons of Love and Secrets of Sanctity](#) Susan Conroy,2003-04-07 An inside view of Mother Teresa's heroic love at work A moving first hand account of Mother Teresa and her work written by someone who worked by her side As an idealistic young volunteer author Susan Conroy spent a summer serving in one of Mother Teresa's orphanages and in the Home for the Dying In a city where I found hell on earth she says I also found each day a deep sense of peace and incredible happiness It was an experience that changed her life forever She learned why Mother Teresa had found real joy in working with the poorest of the poor Along the way she took striking photographs that have never been seen before now

photographs that show Mother Teresa at her everyday best This is an account you won't soon forget told with simple and loving directness by an eyewitness **Mother Teresa** Jennifer A. Miller, 2009-01-01 An introduction to the life Mother Teresa who was a well known missionary who dedicated her life to helping the poor **Mother Teresa's General Letters to Her Sisters** Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charisma endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God **Dynamite Women** Eve Malo, 2006 **Mother Teresa of Calcutta** Edward Le Joly, 1985 A portrait of the Nobel Peace Prize recipient beginning with her childhood Includes her decision to devote herself to the poor her methods of serving others and her thoughts on human issues **Mother Teresa** Christie R.
