Terms Of Entry Britains Negotiations With The European Community 1970 197:

The Europeanization of National Foreign Policies towards Latin America Lorena Ruano, 2013-05-07 Who shapes the European Union's policy towards Latin America How has this EU policy modified individual member states relations with the region This book provides a comparative account of seven member states bilateral links with Latin America since 1945 in the context of their EU membership and based on the concept of Europeanization It illustrates how and why the main architects of this EU policy have been Spain and Germany In contrast Poland Sweden and Ireland which had little previous interaction with Latin America have developed their current relations with that region virtually as a result of their EU membership The United Kingdom and France lie in the middle they have been influential in certain policy areas and key periods in history while they have adapted to what is done at the EU level in others Practitioners established academic experts as well emerging scholars in the field bring to bear a novel combination of pioneering research and cutting edge conceptual analysis on this important but neglected area of the EU's foreign relations

Britannia Overruled David Reynolds, 2013-11-26 This book brings together the often separated histories of diplomacy defence economics and empire in a provocative reinterpretation of British decline It also offers a broader reflection on the nature of international power and the mechanisms of policymaking For this Second Edition David Reynolds has added a new chapters and extends his lively and incisive analysis to the beginning of the new millennium
