The Mediterranean Theater of Operations: Sicily and the Surrender of Italy (Paperback), 1969 Historien om planlægningen af krigen og faserne af USAs operationer i Middelhavet under 2 verdenskrig *The Art of Surrender* Robin Wagner-Pacifici, 2005-10-03 Explores the ritual concessions as acts of warfare performances of submission demonstrations of power and representations of shifting unstable worlds The author considers the limits of sovereignty at conflict's end showing how the ways we concede loss can be as important as the ways we claim victory *Reports of Cases Argued and Determined in the Court of King's Bench* Great Britain. Court of King's Bench, 1825 *American Civil War For Dummies* Keith D. Dickson, 2022-03-15 Take a walk through history with this guide for lifelong learners The American Civil War is one of the most fascinating and impactful periods in American history Besides bringing about the end of slavery the war had many important economic and social effects that continue to shape the history and present day realities of the American people In *American Civil War For Dummies* you'll get an accessible bird's eye view of one of history's greatest conflicts All the must know details of the war are covered here from the Battle of Gettysburg to the Emancipation Proclamation You'll also find Descriptions of the experiences of Black Americans in both the North and the South during the war Explorations of how slavery and civil rights fit into the social political and economic context of the time Profiles of some of the most famous generals in the war including Robert E Lee and Ulysses S Grant Take a moment to get a hands on education in this critical point in American history Get *American Civil War For Dummies* now *Taking the Mask Off* Irwin Osborne, Cortland Pfeffer, 2016-09-28 Cortland Pfeffer spent years as a patient in psychiatric hospitals treatment centers and jails before becoming a registered nurse and working in the same facilities This is a story about recovery that goes inside the mental health and addiction field revealing the problems and providing a spiritual solution *The Laws of England* Hardinge Stanley Giffard Earl of Halsbury, 1911 **Roscoe's Digest of the Law of Evidence on the Trial of Actions at Nisi Prius** Henry Roscoe, 1879 *We, the Japanese People* Dale M. Hellegers, 2001 This is the definitive story of how the United States attempted to turn Japan into a democratic and peace loving nation by drafting a new constitution for its former enemy and then pretending that the Japanese had written it Based on scores of interviews with participants in the process as well as exhaustive research in Japanese and American records the book explores in vivid detail the thinking and intentions behind the drafting of the constitution Confusion and strife marked planning for the democratization of Japan first in Washington then in occupied Tokyo Policy makers in the State War and Navy departments the Joint Chiefs and the White House contended bitterly over how to devise an unconditional surrender that would minimize Allied casualties while according the victor supreme authority over a soundly defeated Japan By war's end there were still no firm guidelines on a host of crucial issues including how the Japanese system of government could be made acceptably democratic The first months of occupation were chaotic with General MacArthur organizing his staff around loyal followers and edging out experts sent from

Washington Hampered by a narrow interpretation of the terms of surrender and wishful thinking about Japanese compliance with American expectations MacArthur set in motion a fiasco Because of a translator s error Prince Konoye three time Prime Minister of Japan thought MacArthur had entrusted him with revising the Japanese constitution and assembled a staff of constitutional law experts and set to work However conservatives in the Japanese cabinet denounced his efforts and produced their own version which MacArthur found unacceptable MacArthur then secretly instructed his staff with its very limited knowledge of either Japan or constitutional law to draft a new Japanese constitution which amazingly they did in a week s time Expecting approval of its own draft the Japanese cabinet was stunned when presented with a completely different American document So unrelenting was the pressure exerted by MacArthur s officers that it was clear to members of the cabinet they had no choice but to adopt the American draft more or less intact and publish it as their own Because of the broad range of its meticulous research the book will be a standard reference not only for students of Japanese history but also for legal scholars diplomatic historians and political scientists
