

The Great Fluoride Debate

Question: Should fluoride be recommended for caries reduction/prevention

The class will be split into two groups for this debate. One group will be for fluoride, and the second group will be against fluoride.

Each member of both groups will have a specific point to argue about fluoride (depending if you are for or against). Assign which members will argue a particular point. You must research your point of the argument (eg. Fluoride causes cancer).

Your research sources may include peer reviewed journal articles, books, newspaper articles, websites, and interview with experts on the topic.

Limit claims based on personal experience or opinion.
