

An aerial photograph of a long, narrow tropical island. The island is covered in a dense, lush forest of palm trees, appearing as a vibrant green strip that stretches from the bottom left towards the horizon. The island is flanked by clear, turquoise water on both sides. On the left side, the water is slightly deeper and darker blue, with some white foam from waves visible near the shore. On the right side, the water is a lighter, more uniform turquoise. The sky above is a pale, clear blue. The overall scene is serene and remote.

The Forgotten People Of The Pacific

S Ben Porath

The Forgotten People Of The Pacific:

The Forgotten People of the Pacific Philippe Diolé, 1976 *The Pacific: The Papua Series 3* Peter Watt, 2011-11-01 As a war correspondent covering the Second World War Ilsa Stahl isn't afraid to be on the front line. But when her plane goes down in a terrible storm over Papuan waters and she is taken prisoner by the Japanese she has every reason to be terrified. Particularly as they plan to hand her over to the Nazis. When Jack Kelly discovers that his only daughter has fallen into the hands of the enemy he will stop at nothing to save her. Even if it means risking the life of his only son Lukas. No one knows Papua the way they do they may be Ilsa's only hope but time is running out. Meanwhile Major Karl Mann is sent on a secret mission to Indo China that will see him embroiled in Ilsa's rescue mission in ways he could never have imagined. This sweeping saga continues the story of the Kellys and Manns following Peter Watt's much loved characters as they fight to survive one of the most devastating conflicts in history the war on Australia's backdoor step. *The Vietnam War in the Pacific World* Brian Cuddy, Fredrik Logevall, 2022-10-05 Fifty years since the signing of the Paris Peace Accords signaled the final withdrawal of U.S. troops from Vietnam the war's mark on the Pacific world remains. The essays gathered here offer an essential postcolonial interpretation of a struggle rooted not only in Indochinese history but also in the wider Asia Pacific region. Extending the Vietnam War's historiography away from a singular focus on American policies and experiences and toward fundamental regional dynamics the book reveals a truly global struggle that made the Pacific world what it is today. Contributors include David L. Anderson, Mattias Fibiger, Zach Fredman, Marc Jason Gilbert, Alice S. Kim, Mark Atwood, Lawrence Jason Lim, Jana K. Lipman, Greg Lockhart, S. R. Joey Long, Christopher Lovins, Mia Martin, Hobbs Boi Huyen, Ngo Wen Qing, Ngoei Nathalie Huynh Chau, Nguyen Noriko Shiratori, Lisa Tran, A. Gabrielle Westcott. *The Art of Tonga* Keith St. Cartmail, 1997-10-01 Tongan art with its elegant sculpture, headrests, body adornment, clubs, containers, tools, and fibre work has made an outstanding contribution to the culture of Oceania. In *The Art of Tonga* Keith St. Cartmail's achievement is to draw together all the strands of this island kingdom's material culture into a single volume. Surprisingly, no other work has done this to date. The author begins by outlining the history of Tonga then comprehensively details all aspects of Tongan art, ancient and modern. He clearly documents the significance and widespread influence of this beautiful art work through West Polynesia and argues that despite recent neglect and in spite of being mutilated and destroyed by missionaries and dispersed by collectors to all corners of the earth Tongan art is nonetheless alive and well. Authoritative and accessible *The Art of Tonga* is lavishly illustrated with superb and important examples of Tongan art from throughout its history. It is essential reading for anyone with an interest in the magnificent cultures of Oceania. *Forty Years on the Pacific*, 1920 This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available.

again for future generations to enjoy **Decolonisation and the Pacific** Tracey Banivanua Mar,2016-04-26 This book charts the previously untold story of the mobility of Indigenous peoples across vast distances vividly reshaping what is known about decolonisation Hunting the Collectors Susan Cochrane,Max Quanchi,2014-11-10 This volume investigates Pacific collections held in Australian museums art galleries and archives and the diverse group of 19th and 20th century collectors responsible for their acquisition The nineteen essays reveal varied personal and institutional motivations that eventually led to the conservation preservation and exhibition in Australia of a remarkable archive of Pacific Island material objects art and crafts photographs and documents Hunting the Collectors benchmarks the importance of Pacific Collections in Australia and is a timely contribution to the worldwide renaissance of interest in Oceanic arts and cultures The essays suggest that the custodial role is not fixed and immutable but fluctuates with the perceived importance of the collection which in turn fluctuates with the level of national interest in the Pacific neighbourhood This cyclical rise and fall of Australian interest in the Pacific Islands means many of the valuable early collections in state and later national repositories and institutions have been rarely exhibited or published But as the authors note enthusiastic museum anthropologists curators collection managers and university based scholars across Australia and worldwide have persisted with research on material collected in the Pacific This volume is a very important one for anyone studying the art and material culture of the Pacific It focuses on collections now in Australia Even those well versed in museum collections from the Pacific will learn about many important but little known collectors as well as better known figures like the anthropologists F E Williams and Thomas Farrell the husband of Queen Emma This will be a treat for students and specialist alike Professor Robert L Welsch University of Dartmouth Nationalism Today M. Troy Burnett,2020-08-04 This extensive reference examines extreme political movements and the political cultural and economic conditions that breed them from the alt right in the United States to the Houthi rebel movement in Yemen and the question of Taiwan s independence Nationalism Today Extreme Political Movements around the World is an authoritative guide for students and teachers who seek to understand nationalist movements across the globe The two volume work opens with essays that describe different types of nationalist movements extremist revisionist and separatist Arranged by country the entries that follow provide the geographic cultural economic and political context for the development of nationalist movements The entries provide expert analysis of specific movements and lay the groundwork for comparison of the many different types of extreme political movements that are exerting themselves around the world today In addition easy to read tables give cultural economic and political facts and figures for each country A comprehensive scholarly bibliography of secondary sources rounds out the book *The Pacific Islands* Moshe Rapaport,1999 Forty five contributors offer information on the physical environment history culture population economy and living environment of the Pacific islands **Is International Law Even Law?** Leah L. Carmichael,2021-05-07 International law is so fundamentally distinct from domestic law that some even question whether it is the law at all Unlike domestic law in

which the state can create enforce and interpret the laws there is no higher authority above states in international law As a result states serve as both creators enforcers and adjudicators of international law and are subject to it Most confoundingly even though there is no higher authority than states in the international system states tend to comply with international law most of the time Further when they do violation international law they go to great lengths to defend their actions as within compliance with the law To understand when and why states treat international law as the law in our international system one must understand both the components of a sound legal argument and the political motivations shaping how laws are created when they are followed and when they are ignored

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **The Forgotten People Of The Pacific**

In a global inundated with monitors and the cacophony of instantaneous conversation, the profound power and mental resonance of verbal artistry frequently disappear in to obscurity, eclipsed by the continuous assault of sound and distractions. However, nestled within the lyrical pages of **The Forgotten People Of The Pacific**, a captivating function of literary beauty that pulses with natural feelings, lies an wonderful trip waiting to be embarked upon. Written by way of a virtuoso wordsmith, that interesting opus guides viewers on a psychological odyssey, lightly revealing the latent possible and profound affect embedded within the complex web of language. Within the heart-wrenching expanse of this evocative evaluation, we shall embark upon an introspective exploration of the book is key styles, dissect their fascinating writing style, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
