Smallwood Richard Gwyn, 2015-02-17 The extraordinary life of Joey Smallwood is the stuff of fiction literally Wayne Johnston's acclaimed novel *The Colony of Unrequited Dreams* draws heavily on this definitive biography And no wonder Set against a colorful background in stirring times it has as its hero a character whose career defied both convention and the odds A one time pig farmer and ardent socialist turned union buster Smallwood is best remembered as the man responsible for bringing Newfoundland into confederation with Canada A full ten years before Alaska and Hawaii became the 49th and 50th states of the union a massive British Dominion on the Eastern Seaboard was at a crossroads Should they join the US as its 49th state Maintain ties with the British via a British led commission of government Should they join Canada Joey Smallwood a well known radio personality writer and organizer at the time led a spirited campaign in favor of joining Canada With 52.3% of a controversial vote marred by sectarian tensions Newfoundlanders voted with Smallwood and the boundaries of Canada as we know them today were established The first premier of Newfoundland Smallwood ran Newfoundland virtually unchallenged for 23 years Smallwood's work experience was checkered at best but included stints as a contributor to socialist newspapers in New York and London He was self taught and possessed the enthusiasm and wrong headedness of the autodidact As Gwyn shows however Smallwood possessed ambition of a rare order and utterly unconquerable self confidence These qualities combined with unerring political instinct enabled Smallwood to drag a reluctant Newfoundland into union with Canada and subsequently to impose his will over compliant colleagues and a vestigial opposition until he governed his island province with the near absolute power of a despot Like a despot too he countenanced corruption on a scale rarely equaled in Canada His fall no less than his rise to power contains elements of pathos farce and pure farfetched wonderfulness Richard Gwyn interviewed Smallwood extensively and enjoyed his subject's full co operation But this is in no sense an authorized biography It is a balanced informed and deeply considered life of a unique political figure Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **By Great Waters** Patrick O'Flaherty, 1974-12-15 p This anthology offers readers a selection of Newfoundland writing which will illuminate the unfolding of the province's history and culture and at the same time

Canadian Literary Landmarks John Robert Colombo, 1984-01-01 Here is a list of three dozen of the top literary locales in the country The selection of sites is necessarily subjective yet it attempts to represent geographical historical social and cultural concerns as well as strictly literary interests Had this list been prepared by the editors of Michelin Guide they would have added asterisks or stars to the entries Interesting Worth a detour Worth a journey It is the opinion of the author of Canadian Literary Landmarks that all thirty six sites are Worth a journey It is recognized that the average person is unlikely to visit No 1 not to mention No 36 but as these sites happen to be the first and last entries in the book they mark a convenient and symbolic beginning and ending No 1 being L Anse aux Meadows Epaves Bay Nfld and No 36 being the North Pole NWT
