The Framing Of The Female:

The Framing of the Female Pat Barr,1978 *Framing Female Lawyers* Cynthia A. Barto Lucia,2021 No detailed description available for Framing Female Lawyers [Un]framing the "Bad Woman" Alicia Gaspar de Alba,2014-07-15 One of America s leading interpreters of the Chicana experience dismantles the discourses that frame women who rebel against patriarchal strictures as bad women and offers empowering models of struggle resistance and rebirth Women and the Egyptian Revolution Nermin Allam,2018 An examination of women s political participation and engagement during and after the 2011 uprising in Egypt **Media, Communication and the 2023 FIFA Women's World Cup** Molly Yanity,Danielle Sarver Coombs,2025-02-27 This book takes a close look at the themes of media and communication in the context of the 2023 FIFA Women s World Cup one of the most attended women s sporting events in history Featuring the work of leading researchers from around the world the book examines how the tournament was represented through traditional digital and social forms of media and considers how an analysis of media and communications in around and after the tournament can help to illuminate our understanding of key themes in the study of women and sport The book presents a series of important and fascinating cases including media representation of Muslim women at the tournament analysis of media reaction to USWNT results the role of podcasts in the coverage of the tournament and a social media analysis of sexual violence toward women athletes at the WWC that together form a multi layered picture of a seminal event in the history of women s sport This book is vital reading for anybody with an interest in women s sport gender and sport the sociology of sport media studies communication studies event studies or sport business and management **Female Fighters** Reed M. Wood,2019-08-27 The presence of women combatants on the battlefield especially in large numbers strikes many observers as a notable departure from the historical norm Yet women have played a significant active role in many contemporary armed rebellions Over recent decades numerous resistance movements in many regions of the globe have deployed thousands of female fighters in combat In *Female Fighters* Reed M Wood explains why some rebel groups deploy women in combat while others exclude women from their ranks and the strategic implications of this decision Examining a vast original dataset on female fighters in over 250 rebel organizations Wood argues rebel groups can gain considerable strategic advantages by including women fighters Drawing on women increases the pool of available recruits and helps ameliorate resource constraints Furthermore the visible presence of female fighters often becomes an important propaganda tool for domestic and international audiences Images of women combatants help raise a group s visibility boost local recruitment and aid the group s efforts to solicit support from transnational actors and diaspora communities However Wood finds that regardless of the wartime resource challenges they face religious fundamentalist rebels consistently resist utilizing female fighters A rich data driven study *Female Fighters* presents a systematic comprehensive analysis of the impact women s participation has on organized political violence in the modern era In the Shadow of The Birth of a Nation Melvyn Stokes,Paul

McEwan,2023-03-14 This collection brings together many of the world s leading scholars on race and film to re consider the legacy and impact of D W Griffith s deeply racist 1915 epic The Birth of a Nation While this film is often cited there is a considerable dearth of substantial research on its initial impact and global reach These essays fill important gaps in the history of the film including essential work on its sources international reception and African American responses This book is a key text in the history of the most infamous and controversial film ever made and offers crucial new insights to scholars and students working in film history African American history and the history of race relations Transforming Gender

Citizenship Éléonore Lépinard,Ruth Rubio-Marín,2018-07-19 Explains the adoption diffusion of and resistance to gender quotas in politics corporate boards and public administration across Europe *The Psychology of the Female Body* Jane M.

Ussher,2024-03-01 First published in 1989 The Psychology of the Female Body examines the role of the female body in women s identity and experience She discusses how key events such as menarche menstruation pregnancy and the menopause affect women s lives and looks at the ways in which the female body and reproduction have been used to confine and control women She puts forward psychological evidence to refute many of the myths surrounding women s bodies highlighting how empirical evidence shows that contrary to what stereotypes suggest women are not victims of their biology This book will be of interest to students of psychology sociology gender studies and women s studies *Expressions of the Body* Charlotte Baker,2009 This book contributes to a growing corpus of writing on the body bringing new perspectives to this fascinating and topical subject Feminist psychoanalytic and queer readings among others have demonstrated the extent of the functions and roles fulfilled by the body as well as the number of critical perspectives it can serve However by and large African representations of the body have been overlooked This coherent volume brings together essays on the portrayal of the body in African art film literature photography and theatre The book includes thematically linked contributions which explore issues of power and representation and reflects current trends in the study of the body and more broadly within the field of African Studies
