Rafter and Heather Cremonesi* Marc TOLÉDANO,Heather CREMONESI,Basil Bernard RAFTER,Alfred STANKE,1970 **Saints, Clergy and Other Religious Figures on Film and Television, 1895-2003** Ann C. Paietta,2015-01-24 The portrayal of clergy saints missionaries monks and other spiritual leaders dates back to the very beginnings of motion pictures and television Over the years filmmakers have portrayed religious figures as heroes and villains sinners and saints and nearly everything in between Through their works filmmakers have influenced how society viewed these religious figures and by extension religion itself This work details over 900 films and television series made from the 1890s through 2003 in which a religious figure plays a prominent or recurring role or in which a character poses as a religious figure For each motion picture full filmographic data are provided including title studio running time year of release director producer writer and cast along with a synopsis focusing on the role of the religious figure Television series are covered in a separate section For each show the entry includes the title under which the show was commonly known the original broadcast network the years the show ran running time and cast and a brief discussion of the religious character's role in the overall series Extensively indexed

Blood in the Snow, Blood on the Grass Douglas Boyd,2012-07-01 D Day 6 June 1944 a day that has gone down in history as one of the most crucial steps towards Allied victory of the Second World War But what is known of the thousands of young Frenchmen and women who were formed into small untrained armies and used as bait by the Allied powers to distract the German forces from the invasion beaches These civilians were scattered through the French forests and hill country and they believed that Allied forces would arrive to help them drive the hated Nazi occupiers out of France but this support never arrived Instead they were abandoned to be hunted down by collaborationist French paramilitaries Wehrmacht and Waffen SS troops Those that were lucky died quickly the unlucky ones survived they were brutally raped and tortured before being shot or were deported to death camps in Germany With rare striking and often harrowing photographs of the people places and events of this period Boyd reveals the startling truth of the prologue to the D Day landings highlighting atrocities that should never be forgotten

Miracles and Wonders Michael E. Goodich,2017-03-02 Beginning in the late twelfth century scholastic theologians such as William of Auvergne Thomas Aquinas and Engelbert of Admont attempted to provide a rational foundation to the Christian belief in miracles bolstered by the Aristotelian theory of natural law Similarly in this period a tension appeared to exist in the recording of miracles between the desire to exalt the Faith and the need to guarantee believability in the face of opposition from heretics Jews and other sceptics As miracles became an increasingly standard part of evidence leading to canonization the canon lawyers notaries and theologians charged with determining the authenticity of miracles were eventually issued with a list of questions to which witnesses to the event were asked to respond a virtual template against which any miracle could be measured Michael Goodich explores this changing perception of the miracle in

medieval Western society He employs a wealth of primary sources including canonization dossiers and contemporary hagiographical Vitae and miracle collections philosophical theological treatises sermons and canon law and ancillary sources dealing with the procedure of canonization He compares and contrasts popular and learned understanding of the miraculous and explores the relationship between reason and revelation in the medieval understanding of miracles The desire to provide a more rational foundation to the Christian belief in miracles is linked to the rise of heresy and other forms of disbelief and finally the application of the rules of evidence in the examination of miracles in the central Middle Ages is scrutinized This absorbing book will appeal to scholars working in the fields of medieval history religious and ecclesiastical history canon law and all those with an interest in hagiography *Religious Art in France of the Thirteenth Century* Emile Mâle, 2012-11-16 Classic by noted art historian focuses on French cathedrals of the 13th century as apotheosis of medieval style Iconography bestiaries illustrated calendars gospels secular history many other aspects 190 black and white illustrations *Religious Art in France, XIII Century* Emile Mâle, 1913 **Crossing the Borders of Time** Leslie Maitland, 2012-04-17 On a pier in Marseille in 1942 with desperate refugees pressing to board one of the last ships to escape France before the Nazis choked off its ports an 18 year old German Jewish girl was pried from the arms of the Catholic Frenchman she loved and promised to marry As the Lipari carried Janine and her family to Casablanca on the first leg of a perilous journey to safety in Cuba she would read through her tears the farewell letter that Roland had slipped in her pocket Whatever the length of our separation our love will survive it because it depends on us alone I give you my vow that whatever the time we must wait you will be my wife Never forget never doubt Five years later her fierce desire to reunite with Roland first obstructed by war and then in secret by her father and brother Janine would build a new life in New York with a dynamic American husband That his obsession with Ayn Rand tormented their marriage was just one of the reasons she never ceased yearning to reclaim her lost love Investigative reporter Leslie Maitland grew up enthralled by her mother s accounts of forbidden romance and harrowing flight from the Nazis Her book is both a journalist s vivid depiction of a world at war and a daughter s pursuit of a haunting question what had become of the handsome Frenchman whose picture her mother continued to treasure almost fifty years after they parted It is a tale of memory that reporting made real and a story of undying love that crosses the borders of time **The Bodleian Library Record** , 1988 **Proceedings of the Society of Antiquaries of Scotland** Society of Antiquaries of Scotland, 1922 Includes List of members
