

JEAN-CLAUDE GRAMBERG

For the right to speak that
 is the essence of the person.

Everyone knows how quickly
 they let their own ideas be
 influenced by the ideas of others.
 If the book has inspired someone
 to speak, the author is happy.
 The author is happy to see
 the book being read by
 someone who is not a student.
 The author is happy to see
 the book being read by
 someone who is not a student.

The Free Zone
