The French Admiral:

The French Admiral Dewey Lambdin, 2002-04-01 It s 1781 Midshipman Alan Lewrie a scandalous young London rake whose amorous onshore adventures led to his being pressed into His Majesty s Service by his own father chafes against life in the Royal Navy but to his amazement he finds himself a born sailor and soon winning respect aboard HMS Desperate As the American colonies continue their war of independence Desperate is called upon to fight the determined rebels and their French allies Lewrie and his sailors join the loyalists on land and learn the brutal truth of civil war where brother turns against brother Amid the flaming wreckage of the once proud city of Yorktown Lewrie must prove his mettle to his commanding officer and to himself

The French Navy in World War II Paul Auphan, Jacques Mordal, 2016-06-15 Prior to this book s original publication in 1959 little had been done to dispel confusion regarding what really happened to the French Navy during World War II Few people realized the tragic situation of a country forced to capitulate to a traditional enemy After this humiliating experience the Navy in its attempts to preserve France s foreign possessions and to supply the mother country found itself torn between the conflicting interests of involved internal and international politics Forced to scuttle part of the fleet at Toulon the remainder found themselves viewed with wary suspicion by both the Germans and the Allies That the French Navy was able to survive at all is a minor miracle That it so well preserved its unanimity as to return to the fight and participate in the final victory is in itself a tribute to the moral discipline and traditions that date back to the crusades The French Navy in World War II is now available in paperback
