

# The French Socialists In Power 1981 1986 Contributions In Political Science

**Alec Stone Sweet**

## **The French Socialists In Power 1981 1986 Contributions In Political Science:**

**The French Socialists in Power, 1981-1986** Patrick McCarthy, 1987-09-22 In 1981 in uneasy alliance with the Communists and amidst a storm of revolutionary rhetoric the French Socialist party came to power for the first time since the founding of the Fifth Republic The only full length study of the subject yet written this book looks at the realities beyond the rhetoric how the Left came to power what the Socialists achieved in the way of social change where they failed to diverge from policies associated with the Right and what lasting impact their brief tenure is likely to have on French and European politics

**The French Socialists in Power, 1981-1986** Thomas Rodney Christofferson, 1991 An overview of the Socialist movement espousing a quasi Marxist ideology before the 1981 election that discusses the conflicts of the 1970s and the 1981 electoral campaign as well as the economic problems that generated a Socialist position of implementing a very limited agenda of reforms once they had gained power

**The Birth of Judicial Politics in France** Alec Stone Sweet, 1992 The French Constitutional Council a quasi judicial body created at the dawn of the Fifth Republic functioned in relative obscurity for almost two decades until its emergence in the 1980s as a pivotal actor in the French policymaking process Alec Stone focuses on how this once docile institution through its practice of constitutional review has become a meaningfully autonomous actor in the French political system After examining the formal prohibition against judicial review in France Stone illustrates how politicians and the Council have collaborated over the course of the last decade often unintentionally and in the service of contradictory agendas to significantly enhance Council s power While the Council came to function as a third house of Parliament the legislative work of the government and Parliament was meaningfully juridicized Through a discussion of broad theoretical issues Stone then expands the scope of his analysis to the politics of constitutional review in Germany Spain and Austria

*Cultural Policy and Socialist France* David Wachtel, 1987-09-30 The past fifteen years have seen a major evolution in French society and the way it views culture Cultural Policy and Socialist France offers a multi faceted approach to determining what role the Socialist Party has had in that change through a detailed evaluation of the policies of the Ministry of Culture under President Francois Mitterrand and Minister of Culture Jack Lang

Books in Series, 1876-1949 R.R. Bowker Company, 1982 **France** Frances Chambers, 1990 *Liberalization and Redemocratization in Latin America* George A. Lopez, Michael Stohl, 1987-12 This volume is the product of three coalitions of research interests focused on a single topic of inquiry the processes of liberalization and democratization within authoritarian regimes in Latin America The three branches of research may be characterized as first individuals researching the changing character of human rights violations repression and state terror in various Latin American nations second scholars of redemocratization the process through which governments gradually revert to a more democratic regime and third experts in the comparative analysis of Latin American politics who believe that a cross national perspective is necessary to complement current theoretical and case study work on liberalization and redemocratization The opening chapter provides

a theoretical basis for the discussion and the closing essay analyzes the relationship between redemocratization in Latin America and U S foreign assistance policies there A bibliographic essay and an index complete the volume     Bibliographic Index ,1991     Subject Guide to Books in Print ,2001     *The European Community and the Management of International Cooperation* Leon Hurwitz,1987-10-20 As Leon Hurwitz clearly illustrates in this new work Western Europe provides the best examples of regional interdependence and international management of cooperation through various intergovernmental and nongovernmental organizations And it is the European Community institutional framework which has enjoyed the greatest success among these organizations This book is a penetrating study of the European Community s experience in the international management of cooperation its goals and objectives its present operation and future prospects
