The Funeral, a Source Book for Ministers Andrew Watterson Blackwood, 1942 The funeral a source book for The Funeral ... Andrew Watterson Blackwood, 1942 ministers by Andrew Watterson Blackwood 1942 **Manual for Funerals** Al, Jr. Cadenhead, 1987-12-07 The plans for this book began several years ago as I personally sought quality resources for my work with grieving families With such an abundance of homelectical materials in general I was concerned that there seemed to be very little to offer guidance for the funeral setting The goal of this book is to provide resource material for a setting that has so much potential for ministry From the Preface A Pastor's Guide to Conducting a Funeral Greg F. Jackson, 2015-08-28 A Pastors Guide to Conducting a Funeral Things Every Pastor Needs to Know But May Have Been Afraid to Ask gives pastors chaplains and other caregivers clear and concise guidance for responding to the profound needs of people facing the deaths of loved ones It is a tool that every ministry student and pastor can benefit from Dr Gregory F Jackson senior pastor of the First Southern Baptist Church in Camden Ohio has shared over two hundred funerals with the people of his rural community during the past seventeen years These experiences shape the books research and guide its practical and timely advice Young pastors may wonder What should I say and do at the funeral home or at the grave What will help families face their losses with faith and trust in God Older pastors might ask How can I refresh my ministry at the time of death No matter what stage of ministry you find yourself in this book can be your companion It can help you when you are uncertain about the best approach to a familys grief or when you need insight into to a familys special needs This is a book that every pastor needs to read Each chapter includes results of surveys of pastors and funeral directors and ends with a short list of insights pastors need to know to serve more compassionately and effectively As an added bonus the book concludes with A Bakers Dozen of Funeral Director Nuggets sharing the most important tips funeral directors wished pastors knew about how to lead thoughtful funeral services with dignity My friend Greg Jackson has given every pastor not only a guide for conducting funerals but a gift His personal and practical insights will assist us in ministering to the hurting THIS is a winner Dr Ernest L Easley Senior Pastor Roswell Street Baptist Church Marietta Georgia Conducting A Funeral is a must read for every pastor Pastor Greg Jackson offers so many helpful tips on how a pastor can effectively and intentionally minister to families who are dealing with death I believe you will also find as I did the chapter on the importance of the pastors relationship with a funeral director to be especially helpful As important as this moment of ministry is in the lives of those trying to make sense of the painful reality of death it is vital that every pastor be prepared This book is very well written and will assist both the novice as well as the experienced pastor in maximizing their effectiveness in ministry I recommend you read it Dr Michael Landry Senior Pastor Sarasota Baptist Church Thank you Greg Your honesty compassion and obvious wisdom as a Senior Pastor at the same church for an extended number of years comes through on every page Funerals and death are always a challenge even for the most seasoned pastor Thus I whole
