The Future According To Kids:

The Secret Life of Kids James W. Peterson, 2000-10-29 It all began when James Peterson was a camp counselor and two children watching him meditate described the colors they saw around his form we saw colors coming out of his stomach And the outside was purple then it was blue then it was yellow then reddish and light yellow in the middle Studies indicate that almost seven percent of young children have such psychic experiences For the most part they don't tell anybody about them for fear of being ridiculed But the author believes it would be psychologically healthy for them to relate such occurrences to adults if they feel the need In this book Peterson has put together a charming collection of case histories about such psychic episodes He believes they should be accepted as factual that frequently they emanate from the wisdom of innocence present in youngsters The question of the secret life of kids is examined by Peterson from the point of view of philosophy occultism and child psychology He suggests why and how such experiences manifest and their potential value to the child's growth pattern

Gerard Assey, 2020-09-28 We love to give gifts to our children and if you are a grandparent then you know how delighted it makes you feel But the greatest and most lasting gift we can give to them is to be an example of Godliness by aligning faith into this future bloodline or legacy The material things we leave our children are temporary however our legacy of imprinting His Word into their hearts and being the right Godly examples can make a significant impact on them for a lifetime and the generations that follow And this is the greatest blessings and joy that will come as we see this come to pass in their lives Nowhere in the Bible does it say that the church is the key or has the responsibility to pass on faith to the next generation In fact on the contrary it makes it very clear that parents and grandparents are the principal conduit to train and instruct their children about God and His love for them God's instruction manual on bringing up children is very clear in Deuteronomy 6:5-7 According to God's word God wants parents and grandparents to focus on passing on a godly legacy to the future generations So this book titled *Godly Mothers and Grandmothers Bible Storytime for Kids* will help achieve this objective of leaving a part of the legacy that you are passing on through these precious kids to help build a faith line of future generations Children's children are a crown to the aged and parents are the pride of their children Proverbs 17:6 *How to Talk to Kids About Anything* Robyn Silverman
