The Future Of Coptic Studies Coptic Studies:

The Future of Coptic Studies Robert McLachlan Wilson, 1978 **Coptic Culture** Mariam F. Ayad, 2012 In May 2008 the Coptic Orthodox Centre in Stevenage UK organised a conference on Coptic Culture Past Present and Future The conference aimed to highlight the contributions and achievements of one of the most obscure periods of Egyptian history the Coptic Period The importance of this period lies in its valuable contributions to some of the most formative theological debates of Christianity Strictly defined as a Late Antique culture spanning only the third to the seventh centuries AD the heritage of the Coptic Period still survives today in the artistic expression liturgical services and heritage of millions of Egyptian Christians who live in Egypt and abroad This period's lasting contributions however remain underappreciated and many of its aspects remain unclear or unknown to the general public For the first time the conference at the Coptic Centre brought together specialists working on all aspects of Coptic culture from its earliest phases to the present day One of the aims of the conference was to highlight new research on Coptic art writings and archaeology By bringing together specialists academics and Coptic clergy the conference fostered an active discussion of what defined Coptic identity in centuries past and what it means to be Coptic in contemporary culture both in Egypt and abroad It is important that we draw on understand and appreciate the rich cultural heritage of this period as we look to our past to inform our present and define our future The conference drew scholars from Australia Canada Egypt France Germany Italy the Netherlands the United Kingdom and the USA Their papers were organised along 5 general thematic blocks that dealt with 1 The Egyptian roots of Coptic culture 2 How do we know what we know Archaeological Sites and Museum Collections 3 Aspects of Early and Medieval Coptic Culture Case Studies 4 Current Trends in Coptic Studies and 5 Coptic Culture Today and where it's heading This volume contains their contributions Egypt in the Byzantine World, 300-700 Roger S. Bagnall, 2007-08-16 A comprehensive portrayal of Egypt from the fourth to the seventh centuries **Current Research in Egyptology 2017** Ilaria Incordino, Stefania Mainieri, Elena D'Itria, Maria Diletta Pubblico, Francesco Michele Rega, 2018-06-30 Presents selected papers from the 18th Current Research in Egyptology meeting held in Naples 2017 Subjects discussed included Graeco Roman and Byzantine Egypt Nubian Studies Language Texts Art Architecture Religion Cult Field Projects Museums Archives Material Culture Mummies Coffins Society Technologies Environment **The Oxford Handbook of Late Antiquity** Scott Fitzgerald Johnson, 2015-11 The Oxford Handbook of Late Antiquity offers an innovative overview of a period c 300 700 CE that has become increasingly central to scholarly debates over the history of western and Middle Eastern civilizations This volume covers such pivotal events as the fall of Rome the rise of Christianity the origins of Islam and the early formation of Byzantium and the European Middle Ages These events are set in the context of widespread literary artistic cultural and religious change during the period The geographical scope of this Handbook is unparalleled among comparable surveys of Late Antiquity Arabia Egypt Central Asia and the Balkans all receive dedicated treatments while the scope extends to the

western kingdoms and North Africa in the West Furthermore from economic theory and slavery to Greek and Latin poetry Syriac and Coptic literature sites of religious devotion and many others this Handbook covers a wide range of topics that will appeal to scholars from a diverse array of disciplines The Oxford Handbook of Late Antiquity engages the perennially valuable questions about the end of the ancient world and the beginning of the medieval while providing a much needed touchstone for the study of Late Antiquity itself

Digital Papyrology I Nicola Reggiani, 2017-09-11 Since the very beginnings of the digital humanities Papyrology has been in the vanguard of the application of information technologies to its own scientific purposes for both theoretical and practical reasons the strong awareness towards the problems of human memory and the material ways of preserving it the need to work with a multifarious and overwhelming amount of different data After more than thirty years of development we have now at our disposal the most advanced tools to make papyrological studies more and more effective and even to create a new conception of papyrology and a new model of edition of the ancient documents At this turning point it is important to build an epistemological framework including all the different expressions of Digital Papyrology to trace a historical sketch setting the background of the contemporary tools and to provide a clear overview of the current theoretical and technological trends so that all the possibilities currently available can be exploited following uniform pathways The volume represents an innovative attempt to deal with such topics usually relegated into very quick and general treatments within journal articles or papyrological handbooks
