The Future Of Latino Independent Media A Nalip Sourcebook:

The Future of Latino Independent Media Chon A. Noriega, 2000 Cultural Studies Latino Latina Studies Despite the growth of the Latino community in the United States Latinos have entered the twenty first century with lower levels of media representation than when protests first raised the issue in the 1960s Latinos remain the most underrepresented of all minority groups in film and television This volume addresses this dire situation by collecting information from the landmark 1999 conference held by the National Association of Latino Independent Producers to renew the fight for media access Sponsored by concerned Latino groups the conference was the first national gathering on Latino independent media since the 1970s

Transnational Television and Latinx Diasporic Audiences Catherine L. Benamou, 2022-12-16 This book is based on a mixed method longitudinal study of the transmission production and reception of Spanish and Portuguese language television in four global cities with expanding Latinx diasporic populations The author tracks and analyzes the production practices of Spanish language broadcasters the highlights of news and cultural affairs coverage changes in the shooting locations and sociocultural discourses of telenovelas both imported from Latin America and domestically produced the presence of SLTV in the national political sphere and the modes of media access and opinions of over 400 viewers in Detroit Los Angeles Miami and Madrid The possibilities created by SLTV and PLTV for achieving a sense of enfranchisement are explored Intended for a general as well as academic reading audience

The Mass Media and Latino Politics Federico Subervi-Velez, 2009-03-04 The Latin American population has become a major force in American politics in recent years with expanding influences in local state and national elections The candidates in the 2004 campaign wooed Latino voters by speaking Spanish to Latino audiences and courting Latino groups and PACs Recognizing the rising influence of the Latino population in the United States Federico Subervi Velez has put together this edited volume examining various aspects of the Latino and media landscape including media coverage in English and Spanish language media campaigns and survey research

The Chicana/o Cultural Studies Forum Angie Chabram-Dernersesian, 2007-11-01 The Chicana o Cultural Studies Forum brings together a diverse group of scholars whose work spans the interdisciplinary fields of Chicana o studies and cultural studies Editor Angie Chabram Dernersesian provides an overview of current debates locating Chicana o cultural criticism at the intersections of these fields She then acts as moderator of a virtual roundtable of critics including Frances Aparicio Lisa Lowe George Lipsitz Wahneema Lubiano Renato Rosaldo Jos David Sald var and Sonia Sald var Hull This highly collaborative and deeply interdisciplinary project addresses the questions What is the relationship between Chicana o studies and cultural studies How do we do cultural studies from within Chicana o cultural studies How do Chicana o cultural studies formations hemispheric borderland and feminist intermingle The lively conversations documented here attest to the vitality and spirit of Chicana o cultural studies today and track the movements between disciplines that share an interest in the study of culture power relations identity and representation This book offers a unique resource for understanding not just the

development of Chicana o cultural studies but how new social movements and epistemologies travel and affiliate with progressive forms of social inquiry in the global era *Critical Latin American and Latino Studies* Juan Poblete,2003 This book brings together some of the most prominent scholars working across the spectrum of Latin American and Latino studies to explore their changing intellectual undertaking in relation to global processes of change *Critical Latin American and Latino Studies* identifies the challenges and possibilities of more politically engaged and theoretically critical modes of scholarly practice One objective is to provide a brief critical history of the study of various Latin American cultures Latino Chicano Puerto Rican among others But these essays also serve to assess the roles of ethnic and area studies in light of changing scholarly trends from emphases on gender and sexuality to a focus on postcoloniality and globalization The result is an important contribution to current debates on the conditions of contemporary knowledge production Book jacket
