Holder, Dewar MacLeod, 1995-04-13 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective RHR scrutinises conventional history and seeks to broaden and advance the discussion of crucial issues such as the role of race class and gender in history

Snowbelt Cities Richard M. Bernard, 1990 A major contribution to the literature on changing US regionalism the volume is handsomely produced and thoroughly documented Choice useful and well researched American Politics Review This is an excellent book for use in the course on comparative urban development It is a book that should be read by any urbanist who believes that a historical orientation is the best prelude for understanding the future of urban development into the 21st century Urban Studies Specialists in urban history and urban affairs join forces to compare the recent political histories of twelve major northeastern and midwestern cities These excellent essays delineate intricate patterns of political competition among leaders of competing groups who generally agree on a pro business pro growth agenda as in the Sunbelt The relative power of nonbusiness groups however sets these northern cities apart from those of the Sunbelt and has formed the basis of the Snowbelt's postwar politics *Twentieth-Century Pittsburgh, Volume Two* Roy Lubove, 1996-02-15 This volume traces the major decisions events programs and personalities that transformed the city of Pittsburgh during its urban renewal project which began in 1977 Roy Lubove demonstrates how the city showed united determination to attract high technology companies in an attempt to reverse the economic fallout from the decline of the local steel industry Lubove also separates the successes from the failures the good intentions from the actual results **The Regional Imperative** Urran A.

Wannop, 2014-02-04 Based on cases and interviews in Britain Europe and the United States this book explains the recurrence of regional planning and of initiatives in regional governance in a wide range of advanced industrial countries Providing an analysis of the nature of regional planning and governance the book traces the development of regional planning and the institutions associated with it It also looks at the way that regions have been changing their form under pressure from economic and political developments and examines how regional planning and governance has responded comparing experience in the UK the rest of Europe and the US In concluding that regionalism is an imperative feature of politics in most

countries associated with almost any of the variety of forms of governance the author offers a major appraisal of the significance of regional planning in an international context

Workers of the Donbass Speak Lewis H. Siegelbaum, Daniel J. Walkowitz, 1995-07-01 In July 1989 coal miners throughout the Soviet Union engaged in a massive strike that briefly captured world headlines and inaugurated a movement of strike committees that persisted across the Soviet post Soviet divide In this collection of interviews and essays based on encounters over a three year period the voices of industrial workers and their families in the eastern Ukrainian city of Donetsk the coal capital of the Donbass are heard The stories collected here allow Western readers to hear these people describe their struggles for survival and identity in conditions of economic political and social disintegration transformation and to analyze their testimonies and other kinds of texts in terms of changing meanings of work gender and national identity Included are an examination of the older generation that came of age during the Stalin era an analysis of the miners movement and the trade union politics that emerged out of the strike of 1989 and a focus on the social crises and cultural disorientations accompanying Ukrainian independence
