Funny and brutal A big hearted book I enjoyed it Stuart Conquest Grandmaster Carl is gifted as both a natural entertainer and storyteller Although this memoir is primarily about chess the tales in it are filled with a frank and refreshing honesty that will literally have your heart racing with adventure Jovanka Houska International Master Chess Crusader is an absolutely fascinating memoir and most emphatically not only a book for chess players It reveals how chess is a metaphor for life and how skills honed at the chess board can be applied in many real life situations This compelling chronicle takes you from Birmingham to Moscow and plunges you into the life of an author with a remarkable original mind while also highlighting the hazards of stealing a half cooked sausage from a deranged German It s a lively enthralling account of a colourful life dominated by the black and white squares of the chessboard and their relation to the wider issues of a troubled childhood and the challenges of work women love and loss It s a tale of adversity but also of achievement and new friendships and experiences
