The British Military Revolution of the 19th Century Daniel R. LeClair,2019-10-31 From the Crimean War through the Second Boer War the British Empire sought to solve the Great Gun Question to harness improvements to ordnance small arms explosives and mechanization made possible by the Industrial Revolution The British public played a surprising but overlooked role offering myriad suggestions for improvements to the civilian led War Office Meanwhile politicians and army leaders argued over control of the country s ground forces in a decades long struggle that did not end until reforms of 1904 put the military under the Secretary of State for War Following the debate in the press voters put pressure on both Parliament and the War Office to modernize ordnance and military administration The Great Gun Question was as much about weaponry as about who ultimately controlled military power Drawing on ordnance committee records and contemporary news reports this book fills a gap in the history of British military technology and army modernization prior to World War I

Arming America Through the Centuries Benjamin Franklin Cooling,2022-09-29 This book examines the roots of the military industrial complex MIC in the eighteenth and nineteenth centuries the MIC s full flowering in the wake of the Cold War and how America s current MIC evolved after the events of 9 11 and throughout the War on Terror Specifically

Cooling argues that the MIC has transformed into a problematic demand for absolute security that is neither practicable nor financially sound While emphasizing many aspects of Eisenhower s broad conception of the MIC and Eisenhower s own warning at the close of World War II Cooling s synthesis provides historical perspective on American industry as a matter of national security on the rise of outsourcing practices and on the changing nature of modern warfare **Frederic Remington** Peter H. Hassrick,2016-05-31 One of America s most popular and influential American artists Frederic Remington 1861 1909 is renowned for his depictions of the Old West Through paintings drawings and sculptures he immortalized a dynamic world of cowboys and American Indians hunters and horses landscapes and wildlife Frederic Remington A Catalogue Raisonn II is a comprehensive presentation of the artist s body of flat work both in print and on this book s companion website Beautifully illustrated with more than 150 figures and 100 color plates this book offers insightful essays by notable art historians who explore Remington s experiences in Taos New Mexico and other parts of the West The chapters include analyses of Remington s artistic development from an illustrator to a fine art painter his search for and understanding of men with the bark on his relationship with the famed illustrator Howard Pyle and the shared imagery of Remington and Buffalo Bill Cody A chapter considering Remington s enduring bond with the horse and its representation in his paintings follows an examination of Remington s ties to Theodore Roosevelt that reveals how the two men helped move the American conscience toward wildlife preservation An assessment of the authentication process for evaluating Remington s works opens the collection Remington is perhaps the most frequently faked American artist The book features a unique keycode granting access to a companion website that brings together more than 3 000 reproductions of the artist s flat works including the complete original 1996 edition of the Catalogue Raisonn and nearly 300 previously unknown or relocated pieces Each entry includes the title date medium size inscriptions provenance and exhibition and publication history of the work as well as select commentary The online catalogue is fully searchable and will be continuously updated as new information becomes available Based on decades of scholarship and research the revised Remington Catalogue Raisonn is an essential resource for scholars collectors museum curators historians of the American West and anyone seeking definitive information on the art of Frederic Remington Frederic Remington A Catalogue Raisonn II is published in cooperation with the Buffalo Bill Center of the West Cody Wyoming [Forthcoming Books](#) Rose Arny,1998-06 **The Oxford History of World Cinema** ,1996-10-17 From its humble beginnings as a novelty in a handful of cities cinema has risen to become a billion dollar industry and the most spectacular and original contemporary art form It has spread to all parts of the globe and is enjoyed by audiences that cut across all sections of society The Oxford History of World Cinema traces the history of this enduringly popular entertainment medium Covering all aspects of its development stars studios and cultural impact the book celebrates and chronicles over one hundred years of diverse achievement from westerns to the New Wave from animation to the Avant Garde and from Hollywood to Hong Kong An international team of distinguished film historians tells the story of

the major inventions and developments in the cinema business its institutions genres and personnel other chapters outline the evolution of national cinemas round the world the varied and distinctive filmic traditions that have developed alongside Hollywood A unique aspect of the book are the special inset features on the film makers and personalities Garbo and Godard Keaton and Kurosawa Bugs Bunny and Bergman who have had an enduring impact in popular memory and cinematic lore With over 300 illustrations a full bibliography and an extensive index this is the buff s ultimate guide to cinema worldwide

A Comparative History of the Literary Draft in Europe Olga Beloborodova, Dirk Van Hulle, 2024-11-15 Literary drafts are a constant in literatures of all ages and linguistic areas and yet their role in writing processes in various traditions has seldom been the subject of systematic comparative scrutiny In 38 chapters written by leading experts in many different fields this book charts a comparative history of the literary draft in Europe and beyond It is organised according to eight categories of comparison distributed over the volume s two parts devoted respectively to Text i e the textual aspects of creative processes and Beyond Text i e aspects of creative processes that are not necessarily textual Across geographical temporal linguistic generic and media boundaries to name but a few this book uncovers idiosyncrasies and parallels in the surviving traces of human creativity while drawing the reader s attention to the materiality of literary drafts and the ephemerality of the writing process they capture
