## **The Healthy Woman Better Health Management The Menopause:**

*The Healthy Woman* Susan Davis (M.D., FRACP, PhD.), Henry G. Burger, 1996 This book is packed with the kinds of information women need in order to take the right steps to maintain or improve their health From hot flashes to osteoporosis the material is up to date accessible frank and objective At the center of discussion is menopause one of the most profound and least understood phenomena of a woman's life Manifested in various ways and at various intensities for different women menopause is rarely talked about in real terms cause content connections and consequences Until now As an endocrinologist as well as a mother of four children Dr Davis blends the professional and the personal to provide a fundamental understanding of self care for women Whether talking about prevention or treatment she encourages a sense of well being through awareness and the active nurturing of one's own body to be at every age **The Healthy**

**Woman** Susan Ruth Davis, Henry Burger, 1994 Explains the menopause and its management with an emphasis on prevention through self directed health care of specific health problems which older women are vulnerable to Topics include prevention of cardiovascular disease and osteoporosis cancer in women vaginal bleeding hormone replacement therapy and the natural therapies The author an endocrinologist was awarded the Robert Greenblatt Prize in Stockholm in 1993 for her research on menopause **Dr. Susan Love's Menopause and Hormone Book** Susan M. Love, MD, Karen Lindsey, 2003-01-21 In the

first edition of this important bestselling book praised by Newsday as the bible for a whole generation of menopausal women renowned physician and pioneering women's health advocate Dr Susan Love warned about the potential dangers of the long term prescription of hormone replacement therapy Her insightful words of caution have been backed up by the stunning results of the recent studies on hormone replacement In this revised edition Dr Love offers a remarkably clear set of guidelines as to what the studies have shown about the risks regarding heart disease breast cancer stroke and other conditions and what effect hormone therapy has on osteoporosis She offers definitive expert advice about whether or not to go on hormone replacement therapy and if so for how long as well as how to taper off hormones and she introduces the alternative methods for treating the symptoms of menopause Dr Love stresses that menopause is not a disease that needs to be cured it is a natural life stage and every woman ought to choose her own mix of options for coping with symptoms A questionnaire about your own health history and life preferences helps you develop a program that will best fit your unique needs With clarity and compassion she walks you through every option for both the short and the long term including lifestyle changes diet exercise and stress management alternative therapies including herbs and homeopathic remedies available medications other than hormones *Homeopathy Medicine for (Better Health)* Ram Babu Sao, 2025-06-28 The

book *Homeopathy Medicine for Better Health* is a very fascinating and yet an exasperating book Please note that if there is any serious injury or trauma to the eyes then professional help should be sought These remedies are for simple non complicated eye problems If the problem persists please visit your eye doctor or obtain emergency care Its simplicity its

vastness and its apparent similarity of symptoms in different drugs throw a tremendous challenge to the People The author says that there is no royal road to a perfect understanding of Homeopathic treatment One can realize its vast extent of diseases and guiding symptoms In its present compact form it contains the maximum number of reliable Homeopathic facts in the minimum space This book provides insight into the principles in homoeopathic practice supported by clinical references all throughout An account of remarkable relief s from ill health and miraculous cures affected further justifies its superiority over other fields of medicine and the need for propagation of the nature s way of healing In this scientific era of health consciousness the time has come that for the treatment of any disease which does not respond to any particular line of treatment one must take a homeopathic opinion immediately Often patients lose their early time going to one specialist to another helplessly without permanent relief and approach homeopathy only when other medicines fail **The Science of**
