Aim for the Heart Howard Hughes,2009-07-30 Clint Eastwood is one of the world s most popular action stars who has matured into a fine American producer director Entertaining illuminating and packed with information up to and including The Changeling this is the first book to cover his full life in the movies from his beginnings in 1950s B movies and in TV s Rawhide to Gran Torino showing how as both actor and filmmaker Eastwood aims for the heart of the drama whatever the story Howard Hughes follows Eastwood s craft through over 50 movies He looks at his launch into superstardom in Sergio Leone s 1960s spaghetti westerns Back in America he built on his success as western hero with such films as High Plains Drifter and The Outlaw Josey Wales winning an Oscar for Unforgiven in 1992 He blasted his way through the seventies and eighties as Inspector Harry Francis Callahan the last hope for law enforcement in San Francisco He also monkeyed around in two phenomenally popular films with Clyde the orang utan which brought tough guy Eastwood to a whole new audience and made him the biggest box office star of his generation Aim for the Heart also looks at Eastwood s more unusual roles including The Beguiled The Bridges of Madison County and Million Dollar Baby Since 1970 he has enjoyed parallel success as director producer of his own Malpaso Productions with Bird Mystic River and Letters from Iwo Jima demonstrating formidable directing credentials Aim for the Heart covers all Eastwood s movies of many genres in detail and Eastwood s story is illustrated with film stills glimpses

behind the scenes and rare poster advertising material Aim for the Heart also includes the most comprehensive credits filmography has ever compiled on Eastwood s work as star and director **Forests of the Heart** Charles de Lint,2001-08-11 In the Old Country they called them the Gentry ancient spirits of the land magical amoral and dangerous When the Irish emigrated to North America some of the Gentry followed only to find that the New World already had spirits of its own called manitou and other such names by the Native tribes Now generations have passed and the Irish have made homes in the new land but the Gentry still wander homeless on the city streets Gathering in the city shadows they bide their time and dream of power As their dreams grow harder darker fiercer so do the Gentry themselves appearing to those with the sight to see them as hard and dangerous men invariably dressed in black Bettina can see the Gentry and knows them for what they are Part Indian part Mexican she was raised by her grandmother to understand the spirit world Now she lives in Kellygnow a massive old house run as an arts colony on the outskirts of Newford a world away from the Southwestern desert of her youth Outsider her nighttime window she often spies the dark men squatting in the snow smoking brooding waiting She calls them los lobos the wolves and stays clear of them until the night one follows her to the woods and takes her hand Ellie an independent young sculptor is another with magic in her blood but she refuses to believe it even though she too sees the dark men A strange old woman has summoned Ellie to Kellygnow to create a mask for her based on an ancient Celtic artifact It is the mask of the mythic Summer King another thing Ellie does not believe in Yet lack of belief won t dim the power of the mask or its dreadful intent Donal Ellie s former lover comes from an Irish family and knows the truth at the heart of the old myths He thinks he can use the mask and the hard men for his own purposes And Donal s sister Miki a punk accordion player stands on the other side of the Gentry s battle with the Native spirits of the land She knows that more than her brother s soul is at stake All of Newford is threatened human and mythic beings alike Once again Charles de Lint weaves the mythic traditions of many cultures into a seamless cloth bringing folklore music and unforgettable characters to life on modern city streets At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *The Heart of the Kingdom* Sasha L. Miller,2014 All Cenric wanted was a necklace to gift to his lady love in the hopes it might persuade her to actually become his lady love Instead of love however Cenric is informed of her engagement to someone else wakes up to find his house burning down around him and is dragged away by a man who might have saved him but won t say much about why one necklace has Cenric running away from someone willing to kill to get it back **Matters of the Heart** Fay Bound Alberti,2010-01-14 The heart is the most symbolic organ of the human body Across cultures it is seen as the site of emotions as well as the origin of life This book traces the ways emotions have been understood between the 17th and 19th centuries as both physical entities and spiritual experiences **The Heart** Arthur Selzer M.D.,2023-11-10 The Heart Its Function in Health and Disease is a comprehensive exploration of the heart and its role in human health designed to bridge the gap between technical scientific literature and popular medical information for a general audience Aimed at educated readers

without a medical background the book delivers a systematic and accessible discussion of heart diseases and their impact on individuals and society By using clear explanations and avoiding overly technical jargon Dr Selzer provides insights into the heart's anatomy physiology common diseases and the latest advancements in diagnosis and treatment This work is particularly significant given the prevalence and societal impact of heart disease which remains a leading cause of mortality in the United States Dr Selzer not only addresses the medical and scientific aspects of heart disease but also considers its broader implications including economic challenges access to care and the role of health insurance and government programs With its balance of scientific rigor and accessibility the book serves as a valuable resource for readers interested in understanding the complexities of heart health and the ongoing efforts to combat cardiovascular diseases This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1966 The Heart, Its Function in Health and Disease Arthur Selzer, 1969 **Functional Imaging and Modeling of the Heart** Sebastien Ourselin, Daniel Rueckert, Nicolas Smith, 2013-06-21 This book constitutes the refereed proceedings of the 7th International Conference on Functional Imaging and Modeling of the Heart held in London UK in June 2013 The 58 revised full papers were carefully reviewed and selected from numerous initial submissions The focus of the papers is on following topics image driven modeling biophysical modeling image analysis biophysical modeling cardiac imaging parameter estimation modeling methods and biomedical engineering Mathematically Modelling the Electrical Activity of the Heart Andrew J. Pullan, Leo K. Cheng, Martin L. Buist, 2005 This book on modelling the electrical activity of the heart is an attempt to describe continuum based modelling of cardiac electrical activity from the cell level to the body surface the forward problem and back again the inverse problem Background anatomy and physiology is covered briefly to provide a suitable context for understanding the detailed modelling that is presented herein The questions of what is mathematical modelling and why one would want to use mathematical modelling are addressed to give some perspective to the philosophy behind our approach Our view of mathematical modelling is broad it is not simply about obtaining a solution to a set of mathematical equations but includes some material on aspects such as experimental and clinical validation **The Heart of the Sportsman** Jason Cruise, 2004-05-01 Where golf has traditionally been the common ground to engage with other men and plant seeds of gospel truth today that common ground is quickly becoming the pastures backwoods and underbrush of the hunting field and the rock lined banks of the fishing stream The call of the wild is now starting to bring home more than deer meat and lake trout This is fishers of men stuff all over again This book is for the dad the husband the son and the big brother who loves the outdoors and everything that goes with it It's a book any Christian hunter would enjoy but also as an introduction for anyone who loves the beauty of the outdoors Inside are real life dramas from the tree stands and forest floors
