Hearts of Elephants and Men Martin Gwent Lewis,1999-12-01 Writers Directory NA NA,2016-03-05 Miss Ayr of Virginia And Other Stories Julia Magruder,2020-09-28 When Miss Ayr of Virginia came down to take her place on the coach for the races in company with her cousins the Miss Ayr of New York there was a discrepancy between the former and the latter which could scarcely have failed to attract attention It could not be denied that the advantage was on the side of the last named ladies though Miss Ayr of Virginia was exquisite and they were plain Compared with such costumes as they wore however such chic such height such distinguished bearing what was mere beauty The little country girl with her village made costume just saved from absolute dowdiness by a few touches from her cousins maid which she had inwardly resented was certainly a fish out of water in that jaunty party and in her wretched little soul she felt it Moreover her dress was not only countrified it was unbecoming Its style of construction quite disguised her slight and charming figure and her hat was as complete a handicap for a beautiful face as could well have been invented She did not realize this not having as yet entirely lost her buoyant belief in herself which was one result of her being an only child and the spoiled darling of her father besides being the recognized belle of her county What she did realize however was that these fashionable cousins of hers found her a nuisance and that the invitation which she had received from their father would never have come from themselves The Miss Ayr of New York were partly right in what they said of their cousin namely that she had been badly brought up This fact might possibly have been overlooked on the score of her having lost her mother in childhood but for the other fact that the Miss Ayr of New York were in the same case and yet felt proudly conscious that they could challenge the world as to their unimpeachable good form There was one important difference between the two families however The Ayr of New York were rich while the Ayr of Virginia were poor The war which had caused the impoverishment of the latter branch of the family was not yet so far back in the past but that days of opulence and ease could yet be remembered even by this sole representative in the present generation Miss Carter Ayr who now for the first time emerged from the safety and seclusion of her beloved South was come to taste the delights of a season in New York The two brothers who were the respective heads of the families had both been left widowers and neither of them had re married but John Ayr of New York had been able to give his daughters the very best that money could do for them in the way of governesses and chaperonage and foreign travel while Henry Ayr of Virginia had had to content himself with the ministrations of a gentle old maid cousin who had been governess and chaperon in one and had let Carter grow up much as she chose a fact which had not in the least interfered with her father s complete satisfaction with her *Changeling and Other Stories* Brian Oswald Patrick Donn-Byrne,2022-08-01 Brian Oswald Patrick Donn Byrne s *Changeling and Other Stories* is a seminal collection that weaves together the mystical fabric of Irish folklore with the deft touch of literary mastery With its poetic narrative and a tapestry of haunting themes Donn Byrne s prose stands as a testament to the early 20th century Irish literary renaissance nestling

African Nature Notes and Reminiscences Frederick Courteney Selous,2019-11-27 In African Nature Notes and Reminiscences Frederick Courteney Selous offers an evocative tapestry of his experiences in the African wilderness blending meticulous observation with vivid storytelling Written during a period of colonial exploration in the late 19th century Selous s

narrative employs a straightforward yet poetic prose style that immerses readers in the richly diverse ecosystems of Southern Africa. His reflections on fauna, flora, and indigenous life provide not only an intimate glimpse into nature but also serve as a commentary on the broader impacts of colonialism and environmental change. Selous, a noted explorer, big game hunter, and conservationist, spent much of his life traversing the African continent where his profound appreciation for nature became evident. His experiences undoubtedly shaped his desire to document the intricate balance of life within the ecosystems he encountered. As one of the early proponents of conservation, Selous's perspective on the necessity of protecting the environment is particularly poignant, revealing his foresight well ahead of his time. For readers interested in natural history, adventure, or colonial literature, *African Nature Notes and Reminiscences* is an indispensable read that transcends the mere recounting of travels. Selous's lyrical prose invites you to witness the grandeur of Africa's landscapes while provoking reflection on the delicate interplay between humanity and nature.

Victorian Animal Dreams Deborah Denenholz Morse, Martin A. Danahay, 2007. The contributors examine various forms of human dominion over animals as manifest in fiction, performance, and the visual arts, as well as in hunting, killing, vivisection, and zookeeping. Distinguished by its acknowledgment of how the Victorians' obsession with animals continues to haunt twenty-first-century animal rights debates, *Victorian Animal Dreams* provides valuable insight into the burgeoning field of animal studies and points toward future studies of animals in the Victorian period.
