The Heavenly Host Beatrice Lowry, 2020-03-23 Bea Lowry's *The Heavenly Host* is dedicated to helping people live a life after God's own heart. A running theme within this writing is developing a consistent lifestyle of holiness as unto the Lord. This is her first offering and it is designed to focus on God's priorities in an effort to simplify righteous living for all believers. She has a deep appreciation for the study and proper application of God's truth to our daily lives. Readers will be drawn in with an altar call, proceed through scripture as the author shares revelations found throughout the Bible, and end their journey with a passionate cry for true mothers within the body of Christ. Angels the Heavenly Host Derrick Reeves, 2015-03-22 The word of the Lord is our source material for everything that is needed to learn about angelology, divinal studies, or any other subject that is spiritually related. When the term angel is utilized, it can express several concepts and many other terms such as Angele (Old French), Angelus (Late Latin), Angelos (Greek), Malak (Babylonish), and Malakh (Hebrew). The term angel, when translated literally, means messenger. It is believed to be of Iranian origin. The Persian word is kin to the Greek term angaros, which was an imperial Persian courier. This term has been traced back to the ancient Sanskrit angiras, which was one of a group of luminous divine beings. When the term is considered, it refers to a supernatural spirit in the Persian, Jewish, Christian, and Islamic theologies. A spiritual divine being that acts as a divine intermediary as well as a special guardian of an individual or nation. A member of any order of the heavenly hierarchy. An attendant spirit or guardian. One who is a messenger or harbinger. The heavens are filled with many beings, and there are untold mysteries in heaven. The subject of angels is very precise and can be very vast. The scripture perhaps will unlock even more information concerning the angels and their various tribes and dwelling places. One thing is for certain: there is much for the Church to learn concerning angels, the heavenly hosts. This text seeks to give a Biblical explanation of what angels are and their associated various duties.

Angels Michael S. Heiser, 2018-09-19 What does the Bible really tell us about the heavenly host? Everyone knows that angels have wings, usually carry harps, and that each of us has our own personal guardian angel, right? We all have some preconceptions about angels from movies, television shows, and other media, but you might be surprised to know that a lot of those notions aren't based on anything from the Bible. If you read Luke 1:26-38 and imagine the angel Gabriel standing before Mary with neatly folded white wings, you're not getting that picture from anything the Bible itself says. What the Bible really says about angels is overlooked or filtered through popular myths. This book was written to help change that. It's a book about the loyal members of God's heavenly host, and while most people associate them with the word angel, that's just one of many terms the Bible uses for supernatural beings. In *The Unseen Realm*, Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world; it was written in his

latest book *Angels* Dr Heiser reveals what the Bible really says about God's supernatural servants Heiser focuses on loyal holy heavenly beings because the Bible has a lot more to say about them than most people suspect Most people presume all there is to know about angels is what has been passed on in Christian tradition but in reality that tradition is quite incomplete and often inaccurate *Angels* is not guided by traditions stories speculations or myths about angels Heiser's study is grounded in the terms the Bible itself uses to describe members of God's heavenly host he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world The Bible's view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period Jewish writings from around the fifth century BC to the first century AD This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways With that important background established the book focuses on what the New Testament tells us about God's holy ones Finally the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today

[Revelation](#) James Kallas, 2020-01-30 In this book James Kallas analyzes the four most popular ways in which Christians have dealt with the book of Revelation He agrees in part with those who espouse the end of history view conceding that the epistle is futuristic in its confession of the hope of Christ's return but denying that it is only a discussion of the last days of the world He repudiates as unscriptural and blasphemous the all of history view which uses the book to calculate specific timetables of human events Underscoring the timeless character of God's promises to his suffering people a premise of the above history view Kallas emphasizes that the Word is addressed to all men of all times He fully confirms the in that history view which stressed that Revelation must first be understood in terms of its original readers the Christians of Asia Minor and its historical background Documenting his conclusions with biblical and historical examples Kallas reviews the origins and style of apocalyptic writing

He explains that the theme of such literature the conflict between God and Satan on a massive scale was produced by the despair of God's people in troubled times He discusses the immediate purpose of Revelation describing its symbolic language as a camouflaged message of hope from an imprisoned apostle to Christians suffering severe persecution at the hands of Rome Only then does he carefully evaluate John's message for Christians today **The Difference Heaven Makes**

Collins,2019-11-26 *Angels and Spirits* Dr. John Thomas Wylie,2019-02-01 In this publication Angels and Spirits the scripture teaches that there is an order of intelligences higher than that of men and further asserts that these intelligences are connected with man in providence and in the redemptive economy These intelligences are called spirits to denote their specific role and nature they are called angels to denote their mission We will investigate their involvement with mankind and their tasks Nothing can be known of them other than that which is revealed in the scriptures They are created spirits but the time of their creation is not indicated Many biblical scholars hold that such a creation must have been included in the statement found in Genesis 1:1 and therefore preceding the six days formative period The highest exercise of angels is to wait upon God Their chief duty is to minister to the heirs of salvation As we embark upon this reading my hope is that you will come to take seriously the informative topics presented to you We do not intend to dwell on Satan or his angels too much only as necessary but focus on the deeds and tasks of holy angels Reverend Dr John Thomas Wylie **The Oxford Dictionary of the Jewish Religion**
