The Heritage Howard Bryant, 2018-05-08 Following in the footsteps of Robeson Ali Robinson and others today's Black athletes re-engage with social issues and the meaning of American patriotism Named a best book of 2018 by Library Journal It used to be that politics and sports were as separate from one another as church and state The ballfield was an escape from the world's worst problems top athletes were treated like heroes and cheering for the home team was as easy and innocent as hot dogs and beer No news on the sports page was a governing principle in newsrooms That was then Today sports arenas have been transformed into staging grounds for American patriotism and the hero worship of law enforcement Teams wear camouflage jerseys to honor those who serve police officers throw out first pitches soldiers surprise their

families with homecomings at halftime Sports and politics are decidedly entwined But as journalist Howard Bryant reveals this has always been more complicated for black athletes who from the start were committing a political act simply by being on the field In fact among all black employees in twentieth century America perhaps no other group had more outsized influence and power than ballplayers The immense social responsibilities that came with the role is part of the black athletic heritage It is a heritage built by the influence of the superstardom and radical politics of Paul Robeson Jackie Robinson Muhammad Ali Tommie Smith and John Carlos through the 1960s undermined by apolitical corporate friendly transcendents of race O J Simpson Michael Jordan and Tiger Woods in the following decades and reclaimed today by the likes of LeBron James Colin Kaepernick and Carmelo Anthony The Heritage is the story of the rise fall and fervent return of the athlete activist Through deep research and interviews with some of sports best known stars including Kaepernick David Ortiz Charles Barkley and Chris Webber as well as members of law enforcement and the military Bryant details the collision of post 9 11 sports in America and the politically engaged post Ferguson black athlete
